Supervisor Hudgins announced that the Reston Multi-Cultural Festival will be held on September 22, 2001, at the Lake Anne Plaza from 10 a.m. until 6 p.m. She invited all to come and enjoy!

63. **WAIVER OF SHOWMOBILE FEES** (Tape 11)

Supervisor Gross said that on Saturday, September 29, 2001, the twenty-second annual Mason District Park Festival will be held at Mason District Park. She invited and encouraged Board Members to stop by anytime from 10 a.m. until 4 p.m. to enjoy the festivities.

Supervisor Gross said that one of the most popular parts of the festival is live entertainment on the showmobile stage.

Therefore, Supervisor Gross moved that the Board waive the showmobile fee for this event subject to the restrictions governing such waivers. Supervisor Connolly seconded the motion and it carried by a vote of nine, Supervisor McConnell being out of the room.

64. **“SENIORS ON THE GO” PILOT PROGRAM** (Tape 11)

Supervisor Gross said that it has come to her attention through a constituent that the "Seniors on the Go" pilot program has no direct electronic link from the Area Agency on Aging web site. "Seniors on the Go" is a wonderful opportunity for qualifying seniors to purchase cost-cutting coupons to defray their local travel (i.e., cab rides to doctor appointments). Currently, the only way to access this site is through the Department of Transportation web site.

Supervisor Gross moved that the Board direct the County Executive to ensure that a link from the Area Agency on Aging web site is established directly to the "Seniors on the Go" Program. Information pamphlets on this program should also be distributed to all public libraries. Supervisor Connolly seconded the motion.

Following discussion, the question was called on the motion and it carried by a vote of nine, Supervisor McConnell being out of the room.

65. **CABLE NETWORKS** (Tape 11)

Supervisor Gross said there have been a plethora of citizen complaints about Cox Communications. She added that when Congress deregulated the cable industry, it assumed that competition would flourish.

Supervisor Gross pointed out that even with the amended Cable Ordinance the Board adopted to encourage a competitor to come into the Fairfax County market, entry by a competitor is not imminent. A recent *Wall Street Journal* article told the story of some localities that started their own cable systems, in competition with the franchised providers.

Supervisor Gross said that such municipal networks now exist in Tacoma, Washington; Gainesville, Florida; and Alameda, California, among several others.

Therefore, Supervisor Gross moved that the Board direct staff to investigate the experiences of municipalities across the country that have started or approved their own cable networks, review the takeover of cable activities, and report its findings to the Board within 120 days. Supervisor Connolly seconded the motion.

Following discussion, Chairman Hanley relinquished the Chair to Vice-Chairman Hyland and asked unanimous consent that the Board direct staff to report with the legislative history. Without objection, it was so ordered.

Vice-Chairman Hyland returned the gavel to Chairman Hanley.

Supervisor Connolly asked unanimous consent that the Board direct staff to include review of federal law. Without objection, it was so ordered.

The question was called on the motion and it carried by a vote of nine, Supervisor McConnell being out of the room.

There was a brief discussion, with input from Anthony H. Griffin, County Executive.

66. **EXPANSION OF THE ANNANDALE RESIDENTIAL PERMIT PARKING DISTRICT (RPPD) – WAIVER OF THE FILING FEES** (Tape 11)

Supervisor Bulova said that she has forwarded to the Department of Transportation (DOT) a petition for the expansion of the Annandale RPPD on Arlen Street from Manion Street to the cul-de-sac.

To proceed with the request, DOT needs Board approval to waive the filing fees. Therefore, Supervisor Bulova moved that the Board direct staff to waive the fees and to proceed as expeditiously as possible. Supervisor Frey seconded the motion and it carried by unanimous vote.

67. **REAPPORTIONMENT MAPS** (Tape 11)

Supervisor Bulova said that on June 11, 2001, the Board adopted a Reapportionment Plan for the County. Board Members who have lost or gained precincts have sent letters of welcome or farewell. In the letter she sent to her new constituents, she referred them to her web page to be kept up-to-date on events and activities in the Braddock District, and to acquaint them with her staff. At the time, her office was told that district maps reflecting changes to district boundaries were being prepared.

Supervisor Bulova noted that it is now September 10 and as of last Friday, someone visiting the County's web page and the district homepages would still find the pre-reapportionment maps. It is a sign of confusion and that the County data is not current with recent events.

Supervisor Bulova asked unanimous consent that the Board direct staff to make changes as soon as possible to all district maps and make sure that the County and District websites are current. Without objection, it was so ordered.

68. **LORD OF LIFE LUTHERAN CHURCH VOLUNTEERS HELPING TO REBUILD BOSNIA** (Tape 11)

Supervisor Bulova said that the August 9 – 15, 2001, edition of *The Connection* newspapers ran an article about 30 local volunteers - ten teens age 16 to 19 and 20 adults - who spent part of their summer rebuilding a youth center in Bosnia. According to volunteer Chris Knodt, the purpose of the trip was to meet children of Bosnia and Croatia, "to tell them you still care about them in America, and to repair all the damage." The trip lasted from June 27 - July 13, 2001. Some of the volunteers were members of the Lord of Life Lutheran Church located on Twinbrook Road in Fairfax.

Supervisor Bulova moved that the Board direct staff to invite Chris Knodt and members of Lord of Life, including Pastor Ron Qualley, to appear before the Board to be thanked and recognized for their impressive goodwill effort. Supervisor Connolly seconded the motion and it carried by unanimous vote.

69. **EQUITY IN WARNINGS AND WATCHES** (Tape 11)

Supervisor Connolly said that heavy, and at times torrential, rains took a toll on many residents. Basements were flooded, traffic was disrupted by standing water, drivers required rescue from stranded vehicles and traffic signs failed to function.

Supervisor Connolly said that in the past, prior to the most recent upgrade of service by Cox Communications, Fairfax residents were able to access a 24-hour radar scan of the area. This allowed Fairfax citizens to make informed decisions on the precautions they needed to take in advance of arriving weather patterns. Coupled with the 24-hour weather scan were warnings and watches from the National Weather Service.

Supervisor Connolly noted that when Cox put through its digital upgrade, Cox chose to relocate this most basic of services to the upper brackets so only subscribers paying top dollar will receive much needed, timely warnings of impending bad weather.

Therefore, Supervisor Connolly moved that the Board direct the County Executive to enter into immediate discussions with Cox Communications to attempt to secure 24-hour radar information for all Cox subscribers as well as by the Fairfax County Departments of Police, Fire and Rescue, Public Works and Environmental Services, and Emergency Management. Supervisor Gross seconded the motion.

Following discussion, the question was called on the motion and it carried by unanimous vote.

70. **HOARDING TASK FORCE REPORT** (Tape 11)

Supervisor Connolly said that recent press coverage of a severe hoarding case in the Providence District has brought this unfortunate condition into the public eye. Also, about 18 months ago, a Hoarding Task Force was created for the County, with representatives from the many County departments that would routinely get involved with and have responsibility for hoarding cases. The County Attorney's Office, Health Department, Office of the Fire Marshal are examples of involved agencies.

Supervisor Connolly moved that the Board direct the County Executive to prepare a report on the activities and findings of the Task Force to be presented to the Board at its December 3, 2001, meeting. Supervisor Gross seconded the motion.

Chairman Hanley relinquished the Chair and asked unanimous consent that the Board direct staff to report with a landscape description of how other jurisdictions are addressing this issue or identifying it. Without objection, it was so ordered.

Vice-Chairman Hyland returned the gavel to Chairman Hanley.

A brief discussion ensued.

(NOTE: Later in the meeting the Board took action regarding this issue. See Clerk's Summary Item CL# 72.)

71. **REZONING APPLICATION RZ 2001-PR-040 AND SPECIAL EXCEPTION APPLICATION SE 01-P-034** (Tape 11)

Supervisor Connolly said that the applicant for Rezoning Application RZ 2001-PR-040 and Special Exception Application SE 01-P-034 is requesting an early Board date to facilitate the timely relocation of an existing business.

Supervisor Connolly said that the applicant is also requesting that the Board approve concurrent processing of its site plan so that staff will accept and review its site plan application while the rezoning and special exception application are being processed.

Therefore, Supervisor Connolly moved that the Board:

- Direct staff to schedule a public hearing to be held before the Board regarding Rezoning Application RZ 2001-PR-040 and Special Exception Application SE 01-P-034 on **December 3, 2001, at 4:30 p.m.**
- Approve concurrent processing for the property which is the subject of Rezoning Application RZ 2001-PR-040 and Special Exception Application SE 01-P-034
- Direct staff to accept and review the site plan submissions pertaining to this property

This action does not prejudice the consideration of this review in any way. Supervisor Bulova seconded the motion and it carried by unanimous vote.

72. **HOARDING TASK FORCE REPORT** (Tape 11)

(NOTE: Earlier in the meeting there was discussion of this issue. See Clerk's Summary Item CL# 70.)

The question was called on the motion that the Board direct the County Executive to prepare a report on the activities and findings of the Task Force to be presented to the Board at its December 3, 2001, meeting and it carried by unanimous vote.

73. **CERTIFICATE OF RECOGNITION FOR THE HOLMES RUN ACRES COMMUNITY** (Tape 11)

Supervisor Connolly asked unanimous consent that the Board direct staff to invite representatives from the Holmes Run Acres community to appear before the Board to be recognized for its fiftieth anniversary. Without objection, it was so ordered.

74. **MOUNT VERNON COUNCIL RESOLUTION REQUESTING THE BOARD TO FUND STORM WATER MASTER PLAN** (Tape 11)

Supervisor Hyland referred to his written Board Matters regarding the resolution from the Mount Vernon Council recommending that the Board fund the Storm Water Master Plan when the Fiscal Year 2003 Budget is considered.

Supervisor Hyland moved that the Board refer this matter to staff for its review and recommendations. Supervisor Hudgins seconded the motion and it carried by unanimous vote.

75. **WAIVER OF FEES FOR THE FIFTY-SIXTH ANNUAL POHICK COUNTRY FAIR** (Tape 11)

Supervisor Hyland said that on October 6, 2001, the Pohick Episcopal Church, Truro Parish will hold the fifty-sixth Annual Pohick Country Fair.

Therefore, Supervisor Hyland moved that the Board to direct staff to waive the temporary special use permit fee for the fifty-sixth anniversary of the Pohick Church Country Fair. This motion, the second to which was inaudible, carried by unanimous vote.

76. **JACK EVANS VIRGINIA'S VOLUNTEER COORDINATOR OF THE YEAR** (Tape 11)

Supervisor Hyland asked unanimous consent that the Board direct staff to invite Jack Evans to appear before the Board to be recognized for his sustained commitment to President George Washington's Mount Vernon Estate and Gardens. Without objection, it was so ordered.

77. **TIMING OF YELLOW LIGHTS** (Tape 12)

Supervisor Mendelsohn stated that he had received a number of letters from constituents regarding the red light camera issue. He said that there seems to be some growing data that if the yellow light time is increased by even a fraction of a second then the number of red light violations decreases drastically. Accordingly, he asked unanimous consent that the Board direct staff to review this issue in consultation with the Virginia Department of Transportation to determine whether this is a better alternative to cameras or should it be implemented in addition to cameras.

Following discussion, without objection, the request was so ordered.

78. **NORTH SECTION OF PARKWAY TO OPEN EARLIER THAN SCHEDULED** (Tape 12)

Supervisor Mendelsohn reported good news regarding the expected opening of the north section of the Fairfax County Parkway. He said that the Virginia Department of Transportation had proposed the closing of the ramp at Spring

Street for a maximum of ten days to save time on the completion of the north section and the affected parties agreed. The actual closure was in August and lasted only seven days. Supervisor Mendelsohn announced that the north part of the Parkway, originally scheduled to be opened in June 2002, is now projected to open in October 2001.

79. **INOVA MOUNT VERNON HOSPITAL CELEBRATES TWENTY-FIFTH ANNIVERSARY** (Tape 12)

Jointly with Supervisor Hyland, Supervisor Kauffman announced that Inova Mount Vernon Hospital will celebrate its twenty-fifth anniversary on Friday, September 21, 2001, at 7 p.m. during its annual Community's Commitment to the Hospital Festival. Accordingly, he asked unanimous consent that the Board direct the Office of Public Affairs to prepare a resolution celebrating the 25 years of commitment and dedication of the hospital staff, physicians, volunteers and local community to be presented to the hospital at this event. Supervisor Hyland and Supervisor Kauffman will present the resolution to the hospital on September 21, 2001. Without objection, it was so ordered.

80. **REQUEST TO MODIFY FEE FOR THE ESTABLISHMENT OF A RESTRICTED PARKING DISTRICT (RPD)** (Tape 12)

Supervisor Kauffman reminded the Board that a public hearing is scheduled for October 22, 2001, to establish a RPD prohibiting parking of boats and camping trailers for the Manchester Park and Manchester Lakes Master Homeowner's Associations. Technically, a \$10 application fee is collected for each signature of support. However, due to the density of townhouses in these two associations, fees far in excess of the actual cost to the County for the planning and engineering of the RPD, including installation of approximately 43 signs, would be collected. Staff estimates the total cost to be \$3,355.

Accordingly, Supervisor Kauffman moved that the Board modify the fee for the establishment of this RPD to a total application fee of \$3,355. Chairman Hanley seconded the motion, which carried by a vote of eight, Supervisor Frey and Supervisor Mendelsohn being out of the room.

81. **CONCURRENT PROCESSING OF SITE PLANS ASSOCIATED WITH SPECIAL EXCEPTION APPLICATION SE 01-Y-026** (Tape 12)

Chairman Hanley commended Supervisor Frey on his submission of written Board Matters.

Supervisor Frey stated that RGK Real Estate Development LLC has submitted a special exception application on property located in the McLearn Square Shopping Center for a vehicle light service establishment which will consist of

light automotive repair and general maintenance such as new tire sales, tire related services, brakes and lube/oil/filter services. Staff has worked with the applicant since before the application was submitted to ensure that development is consistent with the Comprehensive Plan and the surrounding area.

Therefore, Supervisor Frey moved that the Board direct the Director of Department of Public Works and Environmental Services to accept for review and concurrent processing, the site plans associated with Special Exception Application SE 01-Y-026. The applicants understand that this motion will not prejudice the consideration of the application. Supervisor Bulova seconded the motion, which carried by unanimous vote.

82. **REQUEST FOR CONCURRENT PROCESSING FOR REZONING APPLICATION RZ 1998-SU-013** (Tape 12)

Supervisor Frey stated that KSI has submitted a rezoning application to develop multi-family residential development at a density of 20 units per acre. The property associated with Rezoning Application RZ 1998-SU-013 is located off Centreville Road behind the Sully Plaza Shopping Center. Supervisor Frey moved that the Board authorize the Department of Public Works and Environmental Services to concurrently process the site plans associated with the above-referenced zoning applications. The applicants understand that this motion will not prejudice the consideration of the application in any way. Supervisor Bulova seconded the motion, which carried by unanimous vote.

83. **REQUEST FOR CONCURRENT PROCESSING FOR PROFFERED CONDITION AMENDMENT APPLICATION PCA 79-S-119-3** (Tape 12)

Supervisor Frey stated that an application has been filed on roughly five acres near the intersection of Lee Road and Route 50. The applicants propose an amendment to the approved proffers to allow uses consistent with the existing zoning and the existing and planned uses along Lee Road. They also propose a reconfiguration of the approved development and a redesign of the stormwater management facilities. The development plan illustrates two buildings instead of three.

Accordingly, Supervisor Frey moved that the Board authorize the Department of Public Works and Environmental Services to concurrently process site plans associated with Proffered Condition Amendment Application PCA 79-S-119-3. The applicants understand that this motion will not prejudice the consideration of the applications in any way. Supervisor Bulova seconded the motion, which carried by unanimous vote.

84. **REQUEST FOR SCHEDULING OF PUBLIC HEARING AND CONCURRENT PROCESSING FOR MITCHELL-WEEKS HOUSE APPLICATIONS** (Tape 12)

Supervisor Frey reminded the Board that prior to its August recess it approved an Out-of-Turn Plan Amendment that would allow the possibility of the relocation of the historic Mitchell-Weeks House from the property that it has occupied along Route 50. He said that the Mitchell-Weeks House is an eighteenth century structure of architectural and historical significance. The current owner is interested in restoring and preserving the house on site. Supervisor Frey moved that the Board authorize the:

- Scheduling of the public hearings for Special Exception Application SE 01-Y-031 and Proffered Condition Amendment Application PCA 81-S-077-2 for **November 19, 2001, at 3:30 p.m.**
- Department of Public Works and Environmental Services to concurrently process the site plans associated with the above-referenced zoning applications.

The applicants understand that this motion will not prejudice the consideration of the applications in any way. Supervisor Bulova seconded the motion, which carried by unanimous vote.

85. **REQUEST FOR WAIVER OF TIPPING FEES ASSOCIATED WITH THE CLEANUP FOLLOWING CENTREVILLE DAY** (Tape 12)

Supervisor Frey announced that Centreville Day is scheduled to be held on September 22 at Braddock Park. In the past the Board has waived the tipping fees for the after-event cleanup performed at no charge by AAA Trash Service. Supervisor Frey moved that the Board waive all tipping fees associated with the cleanup by AAA Trash Services for Centreville Day. Supervisor Hyland seconded the motion, which carried by unanimous vote.

86. **AUTHORIZATION TO ADVERTISE PROPOSED ENLARGEMENT OF SMALL DISTRICT THREE WITHIN SPRINGFIELD DISTRICT** (Tape 12)

- The parcel identified by Tax Map Number 66-4-((9))-A

Supervisor Bulova seconded the motion, which carried by unanimous vote.

Chairman Hanley reminded the Board that at 8 a.m. on Tuesday, September 11, 2001, Supervisor Hyland will be chairing the Revitalization Policy Committee in Rooms 9 and 10 of the Government Center.

Supervisor Bulova reminded the Board of the first workshop on the Inventory of County Activities, Programs, and Services (ICAPS) scheduled for 9 a.m. on Monday, September 17, 2001. She urged her colleagues to read Volume I of the ICAPS on Public Safety, Courts, Transportation, and Planning.

Supervisor McConnell and Supervisor Mendelsohn stated that they would be unable to attend the meeting.
