

June 2020

## Neighbors,

The **pain the past week** of seeing individuals (police officers) whose hearts were so **vacant of care for another** and/or their racism, anger or hatred so large, that they **missed the humanness** of George Floyd, will **remain with me forever**. To know that the **Minneapolis Police Department trains its officers to utilize risky**, even dangerous practices that **contributed to Mr. Floyd's murder** should remind us further of the importance of **quality leadership**. We are fortunate **our police have that leadership** and our officers understand fundamental tenets of our community; **the sanctity of human life**, fairness and opportunity. As our **Police Chief Ed Roessler** wrote last week, *"We continue to pray for Mr. Floyd's family as individuals, a Police Department, and as a community who all collectively value the sanctity of all human life."* Read Chief Roessler's **message about community trust** [here](#).

Of course our **community has problems** with bigotry, racism, xenophobia and equity, ones that **our leadership and I continue to work hard to address**; from implementing **changes in our employment, education, housing and police practices** to our broad County-wide commitment to **"One Fairfax"**. We always can and always must do more to **support individuals and communities** to realize their full potential. That starts with a **caring heart and concern for one another**. Each of us can **make that difference every day**.

This **summer will be unlike any other** we have experienced. Among the many changes, we will **not be able to celebrate** the opening of the **National Museum of the United States Army** on June 4 or enjoy the annual presentation by the **US Army Old Guard Fife and Drum Corps** at the Board of Supervisors meeting in observation of the **US Army's birthday on June 14**. However, it is important to take a moment to **recognize all who serve in our military and their families**. It is through their sacrifice that we remain the land of the free, because of the brave. **Thank you for your service!**

Are your plans being scuttled by COVID-19? This is a great time to **consider local attractions**, whether in-person (with safety precautions) or virtually. As our **many historic, cultural and arts sites** in the MVD begin to reopen, you will find they are **taking precautions** to protect both visitors and staff. Visit their websites to learn more. But, the exciting news is that **you don't have to "go" to "visit"**! Our favorite sites have created **virtual experiences to engage their visitors** in new ways. TEAM MVD and Visit Fairfax have put together a **sampling of the various South County Virtual Experiences**, as well as those throughout Fairfax in **Fairfax at Home**. I encourage you to **"visit", enjoy, learn** and provide support if you are able! [Read the full article...](#)

In closing, I would like to **introduce you** to our newest MVD Team member, **Diego Rodriguez Cabrera our new Latinx Outreach Coordinator**. I have long wanted a team member to do more **outreach to the minority populations** in our District and I am pleased Diego is joining us. He was **raised in Mount Vernon** having gone to Mount Vernon Woods, Walt Whitman Middle School and Mount Vernon High School. He recently returned from the College of William and Mary where he earned his **Bachelors of Sociology with a**

**concentration in Social Problems, Policy and Justice.** In his spare time, he loves soccer, reading and ultimate frisbee! He is **excited to meet you**, learn more about the your community and **how our office can better serve you.**

I wish you all a **safe and happy summer**, even if it is different than you ever expected!

Respectfully yours in public service,

**Dan Storck**  
Supervisor, Mount Vernon District  
Fairfax County Board of Supervisors

*Meet Diego Rodriguez Cabrera, TEAM MVD's Latinx Outreach Coordinator!*

## Community Heroes

---

### Litter Warriors Clean Up Hunting Creek

**Ben Swanson and Caleb Merendino** have been doing clean-ups in Old Town Alexandria and around the GW Parkway for years. Recently they **launched Associates for Clean & Clean Waterways** with an initial mission to clean up Hunting Creek. Phase I of the clean-up process is complete and **resulted in over 110 trash bags**, with an anticipation of another 100 in Phase II. The organization's mission is to **facilitate a healthy environment and prevent pollution** by organizing, inspiring and leading pollution clean-up efforts in local communities, waterways and along our shorelines through direct response and collaboration with local partners. [Learn more...](#)

### The Garage Saves the Day

Some people are using the **garages as headquarters** for community outreach. **Lorton resident, Rebecca Geller**, has transformed hers into a satellite food pantry. Ms. Geller, a lawyer, is a longtime regular volunteer at the **Lorton Community Action Center (LCAC)**, a local food bank in Fairfax County. Her husband, Brad Cheney, and their three children, Sam, Noah and Emily, often join her. [Read the full story...](#)

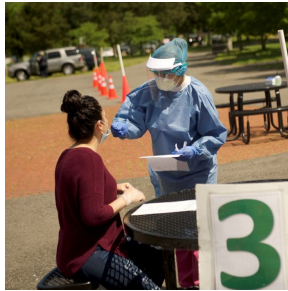

### Local Students Raise Funds to Feed Those in Need

When **school abruptly ended in March** due to the Coronavirus pandemic, we didn't know what it would mean for completing the rest of the school year or socializing with our friends. As **seventh-graders at South County Middle School**, we were still just trying to adjust to middle school. When the **Foundation for**

**Fairfax County Public Schools (FCPS)** requested **donations to assist with providing meals to families**, we knew that this was the cause for us to support. [Read Akul Dixit and Riley Williams' full article...](#)

## Feeding Those on the Front Lines

Chef Gail saw an **opportunity to help** in her local community and stepped up. For the last two months, she has been **preparing meals and delivering** them to **feed employees** at the Lorton Inova Healthplex. To date, she has delivered **over 150 meals!** [Learn more on Chef Gail's Facebook page...](#)

## Neighborhood Health Provide Critical Medical Care

**Dr. Basim Khan, MD, MPA, and his team at Neighborhood Health** provide services to **low-to-moderate income families** in the Richmond Highway Corridor. They recognize that the COVID-19 pandemic **continues to disproportionately affect their patient population**. Testing results are still showing **high rates of infection** with approximately 50% coming back positive. The team's hope is that by **continuing to ramp up testing**, providing support to affected families, and assisting with contact tracing and isolation efforts, they can help **turn the corner for their**

**patients, families and communities.** [Read more about their efforts...](#)

## Phase I: What does it mean?

**Phase I restrictions** can be found above, on the County's [reopening webpage](#), and the [Governor's webpage](#).

- The [County's webpage](#) lays out **guidelines for businesses, houses of worship** and more.

Also, if you are an employee and **feel that your working conditions are unsafe**:

- Employees or their representatives have the **right to file a complaint** with the Virginia Occupational Safety and Health office requesting an inspection.
- **VOSH will withhold, on request, names of employees** filing complaints.
- A [list of VOSH offices is here](#) or you may **file a complaint online** with the US Department of Labor.

## Masks

Law enforcement is **not to be involved** for calls related only to someone **not wearing a mask**. Persons are to **report those concerns to the appropriate business or property manager or owner**. For questions and concerns call 1-877-ASK-VDH3.

## Outdoor Space for Restaurants and Exercise Facilities

- Last week, the Board approved an emergency ordinance allowing **restaurants, breweries, wineries and exercise facilities to operate outdoors** at 50% of their indoor capacity.
- Phase 1 of the Governor's Plan allows for outside dining, but only for those restaurants with a patio. Today's action will **allow these businesses** (even those without outside seating) **to operate outside** in places like parking lots and other spaces.
- The ordinance **took effect immediately** and is valid for no more than 60 days.
- This action was necessary because the **County does not typically permit restaurants and exercise facilities to operate outside** in parking lots without express approval. As a result of the Board's action, these businesses will be able to do so **without the need for any additional County approvals** provided that they meet the [requirements here](#).
- This action also included a **blanket approval** for individual Virginia ABC license applications.
- [Learn more...](#)

## Contact Tracing

Last week, the Health Department **finalized its contract** with the Institute for Public Health Innovation to **hire and train 400 contact tracers**. While not directly hired by the County, they are **supported by the County**. Contract tracing is **vital to our efforts** to reduce and ultimately eliminate COVID-19. [Learn more about available opportunities and how to apply...](#)

## Resources for Undocumented Immigrants/Recursos para Inmigrantes

## Indocumentados

- **Start by calling 703-222-0880, TTY 711**, our Coordinated Services Planning (CSP) social work call center. CSP will make all the arrangements to **get you the help you need** through our network of community and County service providers.
- County staff **does not ask questions around a person's immigration status**, unless you are seeking a type of assistance, such as Medicaid, where there is a legal or regulatory requirement for us to ask about this.
- We **keep your information confidential**, including any documents you submit to us. We **do not share this information** outside of CSP, unless you have given CSP authorization with other Fairfax agencies and **not with the state or federal government**.
- **Immigration status excludes some from certain types of federal government assistance** designed to address the impacts of COVID-19, such as expanded unemployment benefits and tax benefits. Acknowledging this, Fairfax County and our nonprofit partners **are committed to providing basic needs assistance regardless of immigration status**.

## Happening in the District

---

### Construction Contract Awarded for Lorton Community Center and Library

This contract award will provide for the **full renovation of the library**, with additions, and the **construction of a one-story community center**. The new work will include a **shared lobby entrance** between the library and community center. The project will also **upgrade the existing park, walking trails** and other site improvements. The project has a goal of **silver level certification** under the LEEDS v4 Green Building program. This contract has been awarded to **R.J. Crowley, Inc. in the amount of \$19,555,000**. [Visit the project website...](#)

### Groundbreaking for Hunting Creek at Fairchild Stream Restoration

Recently, the County broke ground on this **new stream restoration project**. The plan was developed with **Natural Channel Design (NCD) techniques** to create a stable channel cross section, longitudinal profile and planform geometry for the **severely degraded stream channels**. NCD restores a degraded stream by **mimicking the characteristics of a stable, 'natural' stream**. Through the use of geomorphic principles, NCD achieves long term stability given current and future flow rates. The Notice To Proceed was issued on **March 2, 2020**. Construction completion is scheduled for **April 13, 2021**. [Learn more...](#)

### Lower Potomac Ballpark Facility & Outfall Restoration

Located at the entrance of Lower Potomac ball fields, this project retrofitted the existing **stormwater management basin** to provide **improved water quality benefits**. Two forebays were installed to create an **extended detention wetland** to provide **maximum enhanced water quality**, and a new concrete riser was added to increase the quality of water discharged from the basin. Approximately 200 linear feet of eroded channel was rehabilitated using **natural stream design techniques** to improve water quality, provide channel stability and enhance ecological function. **Native trees, shrubs, and plants** were installed to enhance function of the site and **provide habitat for local wildlife**. This project will remove approximately 17 lbs. phosphorus, 86 lbs. nitrogen, and 10,546 lbs. of suspended solids annually and helps the County **meet regulatory requirements to improve the Chesapeake Bay**. Before and after photos below.

## A Message from the West Springfield Police Station

---

Hello Mount Vernon District. It is amazing the **changes a few months** can have on a country, and Fairfax County. At the West Springfield Station, there have been many changes from **more officers on the street to officers wearing masks** on most of our calls for service. We are adapting to the changing times as best we can, and we are **grateful for the continued support of the community**. Without your support, we would not be as effective as we are. If you have any further questions about our **COVID-19 business practices**, please [visit our blog](#). I would also like to take this time to **introduce myself** as a **new Crime Prevention Officer** at the West Springfield Station. I am also the **Homeless Liaison** for the station. If you have any questions, please **feel free to contact me** at [anthony.capizzi@fairfaxcounty.gov](mailto:anthony.capizzi@fairfaxcounty.gov), or call the station at 703-644-7377. And always remember, 911 for an emergency or 703-691-2131 for a non-emergency call. **Take care and be safe** during these times. PFC Tony Capizzi

### Lorton Farmers Market Opens

The [Lorton Farmers Market](#) at the Lorton VRE parking lot **opened on Sunday, May 31**. Openings of the county's 10 producer-only markets **have been delayed** this year because of the COVID-19 pandemic. To help shoppers keep their visits relatively brief **many vendors are offering pre-ordering**, with streamlined payment and pickup options. [Read more on the Lorton Patch...](#)

**Removal of Fort Belvoir's SM-1 Nuclear  
Reactor to Proceed after Army Finalizes  
Environmental Assessment**

The U.S. Army Corps of Engineers (USACE) remains **on track to award a contract** for the decommissioning and dismantlement of the **deactivated SM-1 nuclear power plant** at Fort Belvoir by September 2020. [Read more on the Fort Hunt Herald...](#)

### Inova to Build New Hospital in Springfield

Inova Health System plans to **expand its services** to the Springfield community on recently acquired property **adjacent to the current Inova Springfield HealthPlex**. The expansion results from a current, **comprehensive assessment of the communities** Inova serves in the eastern region of Northern Virginia. The new facility will **complement Inova Mount Vernon**. [Read more in the Connection...](#)

---

## Transportation Updates

---

### New Richmond Highway Sidewalk Complete

A **new pedestrian walkway** from **Virginia Lodge to Huntington Avenue** is substantially completed. The construction includes a 1,320 L.F. concrete sidewalk and curb ramps, **signal modification**, extension of an existing box culvert, repair cracks and spalled areas in the existing culvert, guard rails and end treatments installation, and **watermain relocation**. [Learn more and see more photos...](#)

### Pohick Road and Southrun Road Pedestrian Improvements

A **new sidewalk connection improved pedestrian access** from the existing trail along the northside of Pohick Road, continuing along the eastern side of Southrun Road to the **Newington Forest Community Center**, and ending at the existing sidewalk along southside Rushing Creek Drive. In addition, a **new sidewalk connection** from the existing bus stop at southside Pohick Road/Southrun Road to the eastside of Southrun Road. Project improvements include curb and gutter, concrete sidewalk, curb-cut ramps, underground storm drainage system, **pedestrian signals**, pavement markings and concrete bus pads.

## Community Information

---

### William K. "Billy" Hilton Named Mount Vernon District 2020 Volunteer Service Award Community Champion

I have known of the **legend of Billy Hilton at the local fire stations** for many years and it is an honor to celebrate his **countless hours of service** to our public safety teams. Billy is always willing to **roll up his sleeves and do any necessary grunt work** with a smile. His selfless dedication and devotion to the community make him absolutely deserving of this recognition and he represents the **best in volunteerism in all of us**. [Read more about Billy...](#)

### Workhouse Arts Center News

The Workhouse announces **NEW Drive-In Movies** on Friday and Saturday nights through June, featuring **socially distanced flicks for the whole family!**

In addition, the **Art of Movement Program** is preparing for a **June 16 return to in-**

**person classes.** Careful planning for your safety is underway and **many classes will be held outdoors.** [Learn more...](#)

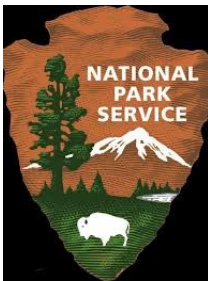

## Contest to Thank Waste and Recycling Workers

The Department of Public Works is encouraging County residents to **show their appreciation for Waste and Recycling Workers** during the National Waste and Recycling Workers Week starting June 14. Residents can show their appreciation by doing things like placing **thank you signs at the curb** on set day or **doing chalk art** on their driveways. The **most creative idea** may be used to **decorate a trash or recycling container!** [Learn more and enter...](#)

## Riverside Elementary School Earns the NWF's Eco-Schools USA Green Flag Award

This is the **highest honor given to schools** working on environmental stewardship goals by the **National Wildlife Federation (NWF)**. Riverside began its quest in 2016, when the school developed their **edible garden, added a composter and formed an Eco-Action Club**, which established a cafeteria recycling program. The **Virginia garden** was added in 2017. In 2018, the school launched **audits for Energy and Consumption and Waste**. In 2019, the students adjusted the audits for Energy and Consumption and Waste, and they added an **audit for Healthy Living**. Students in all grades are involved in the **care and maintenance of the gardens**; preschoolers and kindergartners **water the plants**, and first graders **care for the birdfeeders**. [Read more and watch the videos...](#)

## GW Parkway Opens Parking Lots and Restrooms

George Washington Memorial Parkway will increase recreational access by **reopening parking lots and restrooms** that were closed because of the COVID-19 pandemic. The National Park Service (NPS) is working with federal, state, and local public health authorities to closely monitor the COVID-19 pandemic and using a **phased approach to increase access** on a park-by-park basis. **On June 3, several parks in the Mount Vernon District will reopen.** [Read more...](#)

## June 23 Democratic and Republican Primary Election Information

### What is on the Ballot?

- Republican Primary Senate Countywide
- Democratic Primary 11th Congressional District

**Absentee ballots are encouraged!** Absentee ballot request deadline: **June 16** by 5:00 pm.

[Read more...](#)

**NOTE:** The polling place for the **Lorton precinct has been relocated to Lorton Station Elementary School**, co-located with the Lorton Station precinct. In an Emergency Relocation due to COVID-19, the **Marlan precinct has been relocated from Paul Springs Retirement Community to Hollin Meadows Elementary School**, with the Kirkside precinct.

## Job Opportunity

The **Institute for Public Health Innovation**, contracted by the County, is **hiring several positions** to assist with the **COVID-19 contact tracing efforts**. If you or someone you know is interested, consider applying. [Learn more...](#)

## Mount Vernon - Lee Chamber of Commerce 2020 Scholarships Announced

Nine scholarships were awarded to **local high school students** by Mount Vernon Lee Chamber of Commerce to recognize **outstanding achievement** of 2020 graduating seniors planning to continue their study in a business-related field. **Congratulations to all the recipients!** [Read more...](#)

## ROTARY CLUB OF ALEXANDRIA PRESENTS 2020 FLAGS FOR HEROES

### SPONSOR A FLAG AND PUBLICLY HONOR A HERO

Honor a veteran, first responder, policeman, fireman, EMT, healthcare worker, teacher, family member, friend or other hero (past or present), by sponsoring a flag for \$50. Over 200 flags will be displayed at Cedar Knoll Restaurant June 27-July 11. 100% of proceeds will support local charities and Rotary's community projects.

[For more information...](#)

## Supporting Our Seniors

### Spring Hill Community Village Counters Isolation with Opportunities for Connection

Spring Hill Community Village in Lorton, a part of the **County's Neighbor to Neighbor program**, continues to raise the bar on **caring for their village**, especially during these times of social distancing. Village Leader Diane Watson understands the **perils of isolation** and the detriment it has on all people, but **particularly older adults**. Watson is a member of the **Long-Term Care Coordinating Council (LTCCC)**, the Commission on Aging (COA) and several other community groups. She shares **virtual activities** with her Village. Online yoga. Zoom meetings. All of these activities are the **new way to interact** and reduce isolation. [Read more...](#)

## Saving Our Environment

### Working From Home (Energy) Efficiently

Working from home has its **pluses and minuses**, some days are better than others. **Higher monthly electricity bills** are an unfortunate consequence of spending more time at home, using lights, hot water, appliances and electronics like computers and monitors. If you are looking for a way to **live up your teleworking routine** while reducing your monthly energy bills, the County Office of Environmental and Energy Coordination has **six suggestions for you**. [These simple steps will help you keep your energy use under control.](#)

### Eco-Friendly Activities For Kids

With Fairfax County Public Schools **embracing distance**

**learning** and **preschoolers at home** as well, the County Office of Environmental and Energy Coordination offers some **how-to guides for eco-friendly activities** suitable for kids of all ages. From water science, to energy transfer, to the importance of simply recycling, these activities are sure to help **keep your kids engaged and learning**.

Go on an **outdoor scavenger hunt**, learn about pollution and recycling with these eco-activities.

Explore **solar power and heat transfer** with these energy-related experiments.

Take a deep dive into **water science and conservation** with three easy-to-execute activities.

---

## Team MVD

## Boards, Authorities and Commissions

---

Help **serve your community** by serving on a Fairfax County Board, Authority or Commission (BAC). Please ask your friends, neighbors and community members if they are willing to help serve Fairfax County.

### Citizen Corps Council

The Citizen Corps Council meets the fourth Thursday of every odd month. The council serves to **coordinate preparedness initiatives** across the county through internal and external volunteer programs such as, **Community Emergency Response Team (CERT)**, Medical Reserve Corps (MRC), Volunteers in Police Service (VIPS), **Neighborhood Watch**, and Fire Corps. Two (2) year term.

There are **several At-Large positions** available as of February 2020 on County BACs.

- Affordable Dwelling Unit Advisory Board (Engineer/Architect Rep)
- Affordable Dwelling Unit Advisory Board (Lending Institution Rep)
- Alcohol Safety Action Program Local Policy Board (ASAP)
- Athletic Council (Women's Sports Alternate Rep)
- Board of Building and Fire Prevention Code Appeals (Design Professional)
- Civil Service Commission
- Engineering Standard Review Committee
- History Commission (Historian)
- Human Rights Commission
- Road Viewer Board
- Tenant Landlord Commission (3 openings - Citizen Member, Condo Owner, Landlord Member & Tenant Member)

[Learn more about these BACs...](#)

Volunteering on these committees **increases citizen participation in our District**. If you are interested in serving on a county board, authority, commission, or committee (BAC), please provide a current résumé to [Donna.Slaymaker@fairfaxcounty.gov](mailto:Donna.Slaymaker@fairfaxcounty.gov). For more information, please download the [brochure](#) for a brief guide to BACs, or learn more on the [County website](#). You can also **check out the County's Volunteer Management System for information** on these and **other volunteer opportunities near you**.
