

# Safe Streets for All Program – Improving pedestrian and bicycle safety in Fairfax County

The ActiveFairfax Transportation Plan project is proposing the development of an initiative to address systemic transportation safety issues for people walking, biking and using other forms of active transportation called the **Safe Streets for All Program**.

The draft program recommendations propose a framework of education, policy, planning, and programmatic and design strategies that would improve active transportation safety and comfort.

## Share your Thoughts!

The public is invited to review the proposed recommendations and share their feedback, and view meeting details at [www.fairfaxcounty.gov/transportation/bike-walk/safe-streets](http://www.fairfaxcounty.gov/transportation/bike-walk/safe-streets).
