20. **APPROVAL OF AUDIT COMMITTEE QUARTERLY AUDIT REPORTS** (11:13 a.m.)

(BACs) Chairman Connolly called the Board's attention to the Auditor's March 29, 2005, Quarterly Status Report, copies of which were previously mailed to all Board Members. He publicly praised the auditors.

21. **BUDGET CONSIDERATION ITEM FOR INVENTORY OF NATURAL RESOURCES** (11:14 a.m.)

Chairman Connolly stated that the Park Authority Board requested the addition of \$302,000 to establish a program to inventory natural resources and combat invasive, non-native plants on parkland. Accordingly, he asked unanimous consent that the Board direct staff to add \$302,000 to the Fiscal Year 2006 Consideration Items to establish this formalized inventory program for natural resource management. He noted that this action does not guarantee funding of the item. Without objection, it was so ordered.

22. **NURSES' WEEK** (11:14 a.m.)

Chairman Connolly announced that May 6-12, 2005, is Nurses' Week to commend these unsung heroes for their dedication to the wellness of others. Therefore, he moved that the Board proclaim May 6-12, 2005, as "*Nurses' Week*" in Fairfax County and direct staff to invite the appropriate representatives from the Health Care Advisory Board and Health Department to appear before the Board to be recognized with the proclamation at the April 25, 2005, meeting. Vice-Chairman Bulova seconded the motion, which carried by unanimous vote.

23. **TEEN DRIVING SUMMIT** (11:15 a.m.)

Chairman Connolly reminded the Board that earlier in the year it approved his motion to direct the County Executive, Police Chief, and School Superintendent, to confer on steps the County can take to stem the increase in teenage driving accidents that has resulted in the loss of lives in the County and elsewhere. He noted that preliminary discussions have begun.

Chairman Connolly reiterated that teenagers are more likely to be involved in a single car crash than those in any other age group. Nationally, teen drivers killed in motor vehicle accidents had a youth passenger in the automobile 45 percent of the time. Of teen drivers fatally injured in automobiles, more than one-third were speed related accidents. Teenagers make up 7 percent of licensed drivers, but suffer 14 percent of fatalities and 20 percent of reported accidents. In 2004 61 people lost their lives due to motor vehicle accidents in the County. Nine of those deaths were children under 21 years of age.

Chairman Connolly noted that in January he listed ten areas where swift action may make a difference in saving young lives, including the transformation of the school driver education programs. He met with a group of teenagers recently and not one person said that the school driver education program helped them to develop skills that were useful in their driving experience. He stressed the importance of transforming driver education to become meaningful.

Following a brief discussion, Chairman Connolly moved that the Board direct the County Executive to coordinate with the School Superintendent and the Chief of Police to organize a Teenage Driving Summit in the Government Center timed to precede the prom and graduation seasons. Supervisor McConnell seconded the motion, and discussion ensued.

Supervisor McConnell suggested State legislation that would allow for the seizure of vehicles involved in drag racing, and she said that she would be discussing this with members of the General Assembly.

With regard to one of the proposals to revoke school parking privileges for traffic violations in the community, Supervisor Gross noted that this idea has been circulated throughout the community recently, but the response she had seen from the Schools is that it does not have access to this information if it did not happen on school grounds.

Noting the success of all-night graduation parties in keeping teenagers safe, Supervisor Gross asked unanimous consent that the Board direct staff to provide information on these parties and include the party organizers in the summit. Without objection, it was so ordered.

Supervisor DuBois noted the success of the Youthful Driver Program at the Police Academy driver training track and suggested coordinating it with the school driver education program.

Supervisor Kauffman asked unanimous consent that the Board direct the County Executive to report regarding the funding for the DWI Checkpoint Programs in the Fiscal Year (FY) 2006 Budget. Without objection, it was so ordered.

Supervisor McConnell asked unanimous consent that the Board direct staff to include a FY 2006 Budget Consideration Item for the purchase of additional Lidar guns for traffic speed enforcement. Without objection, it was so ordered.

The question was called on the motion to organize a Teenage Driving Summit and it carried by unanimous vote.

24. **RESIDENTIAL DEVELOPMENT CRITERIA ACCOUNTING** (11:25 a.m.)

Chairman Connolly noted that on September 9, 2002, the Board amended the residential development criteria, as recommended by the Planning Commission, implementing a cash proffer system that became effective January 7, 2003. That action stipulated that the "school system shall provide an annual accounting to the Board of Supervisors on appropriation of proffered monies, including both specified and unspecified proffer funds." He said that it was his understanding that, to date, no such report has been given to the Board.

Accordingly, Chairman Connolly moved that the Board direct the County Executive to provide a full and comprehensive report on the sources and proposed uses of school cash proffers to the Board by its next meeting on April 25. Vice-Chairman Bulova seconded the motion, which carried by unanimous vote.

Vice-Chairman Bulova returned the gavel to Chairman Connolly.

25. **COMMITTEE TO DEVELOP DEFINITION OF DOMESTIC BRED HOUSEHOLD PETS** (11:26 a.m.)

(BACs) Supervisor Hudgins reported that recently two of her constituents contacted her office about the question of making domestically-bred African pygmy hedgehogs legitimate pets in the County. She noted that this is not a new issue and was considered by the Board in both 1999 and 2001 as a proposed amendment to Chapter 112 (Zoning Ordinance) of the Code of the County of Fairfax to include them in the definition of commonly accepted pets. The motion to amend failed.

Rather than rehash the same concerns, Supervisor Hudgins asked unanimous consent that the Board appoint a committee to identify an appropriate procedure by which domestic bred household animals could be defined. She stated her belief that establishing a criteria would limit future petitioning for special permit approval for domestic bred household animals.

Supervisor Hudgins amended her request to direct the County Executive to provide the Board with the composition of the proposed committee that includes the Animal Services Advisory Commission, the Health Department, and the Department of Animal Control. Without objection, the request, as amended, was so ordered.

26. **ISLAND WALK PARTNERSHIP AWARD (HUNTER MILL DISTRICT)** (11:27 a.m.)

Supervisor Hudgins announced that the Community Associations Institute Washington Metropolitan Chapter selected Island Walk Partnership of Reston as the best Small Homeowners Association in the national capital area. To recognize the recipients of this award, she asked unanimous consent that the Board direct staff to invite the Board of Directors of Island Walk Partnership to appear before the Board to receive a certificate of recognition for being the best small homeowners association in the region. Without objection, it was so ordered.

27. **TRAFFIC RULES DURING POWER OUTAGES** (11:28 a.m.)

Supervisor Hudgins cited an example of a traffic accident that occurred during a traffic light power outage. She said that since a large power outage had hit the area, police officers were dispatched to larger intersections to control areas of higher potential danger. She noted that the *Code of Virginia*, Section 46.2-833 B, addresses this situation and requires drivers to proceed through an intersection during an outage as if it were controlled by a stop sign on all approaches.

Accordingly, Supervisor Hudgins asked unanimous consent that the Board direct staff to publicize the applicable intersection courtesies that must be observed during power outages and other such incidents. Without objection, it was so ordered.

28. **BUDGET CONSIDERATION ITEM FOR GREATER RESTON ARTS CENTER (GRACE) ARTS AND CULTURAL CENTER (HUNTER MILL DISTRICT)** (11:29 a.m.)

Supervisor Hudgins asked unanimous consent that the Board direct staff to prepare a Budget Consideration Item in the amount of \$50,000 as a contribution to the new GRACE Arts and Cultural Center at the Reston Towne Center. In exchange, GRACE would allow exhibition space for mutually agreed times. The agreement would permit the County to use the space, as intended in the Development Plan Proffer for Rezoning Application RZ 85-C-088 without incurring the build out and ongoing operating costs. Without objection, it was so ordered.

(BACs) Supervisor DuBois said that as authorized by the Board on March 21, the Dranesville and Hunter Mill Districts will convene a special study task force to address the Area Plans Review Nominations for the Hunter Mill Road area as well as other land planned for residential use located west of Hunter Mill and Lake Fairfax Park. The following Dranesville and Hunter Mill District Citizens will serve on this task force:

Dranesville District

- Ms. Jody Bennett
- Mr. James Cunningham
- Ms. Judith W. Downer
- Mr. Chris Halligan
- Dr. Jack Mansfield
- Mr. Gene O'Brien
- Ms. Sheila Olem
- Mr. Randy Schumacher
- Mr. John Ulfelder
- Mr. Jack Wilbern

Hunter Mill District

- Mr. David Edwards
- Mr. Arthur Hill
- Mr. Brian McMillan
- Ms. Michelle Krockner
- Mr. Mortimer Marshall, Jr.
- Ms. Gwenn Minton
- Mr. Steve Psarakis
- Mr. Don Skidmore
- Mr. Robert Walker
- Mr. Bruce Wright

Accordingly, jointly with Supervisor Hudgins, Supervisor DuBois moved the appointments of the aforementioned 20 community members as the Dranesville-Hunter Mill Districts Special Study Task Force representatives to undertake this study. Supervisor Bulova and Supervisor Hudgins jointly seconded the motion.

Following a brief discussion regarding the fact that Providence District is not affected, the question was called on the motion, which carried by a vote of nine, Supervisor McConnell being out of the room.

(BACs) Supervisor DuBois announced that on May 21, the citizens of Small District #1 will hold an election to replace three adult members and two student members of the MCC Governing Board. The student members will be running unopposed. The Memorandum of Understanding between the MCC and the Board, dated February 8, 1984, specifies that the Board must approve election standards and procedures.

Supervisor DuBois stated that she was satisfied that the MCC has established an elections committee and issued a public notice of the opportunity for all citizens of Small District #1 to petition for a place on the ballot. The elections committee informed her that the following five adult candidates and two youth candidates have placed their names in nomination:

Adult Candidates

31. **RECOGNITION OF GEORGE SMITH, DRANESVILLE DISTRICT REPRESENTATIVE TO THE TRANSPORTATION ADVISORY COMMISSION (TAC)** (11:33 a.m.)

(BACs) Supervisor DuBois stated that George Smith, Dranesville District Representative to the TAC since 1997, announced his intention to step down from the commission and relocate from the County in the near future. She asked unanimous consent that the Board direct staff to invite Mr. Smith to appear before the Board at its first opportunity to receive recognition and thanks for his years of service. Without objection, it was so ordered.

32. **COUNCIL OF THE ARTS OF HERNDON'S TASTE OF THE TOWN (DRANESVILLE DISTRICT)** (11:33 a.m.)

Supervisor DuBois announced that the Council for the Arts of Herndon is celebrating its twentieth year as the official arts organization for the Town of Herndon. Its annual Taste of the Town will be held on Thursday, April 21, 2005, from 5:30 – 9 p.m. at the Worldgate Center in Herndon. The Taste will feature more than 20 restaurants with both silent and live auctions. Proceeds will be used to award art scholarships and support various art and cultural programs in the greater Herndon area. She noted that Chairman Connolly agreed to be guest auctioneer for the live auction that evening. The council invites the Board and the community to join Chairman Connolly and her at the Taste of the Town.

Accordingly, Supervisor DuBois asked unanimous consent that the Board direct the Office of Public Affairs to publicize this event. Without objection, it was so ordered.

More information is available on the website at [info@herndonarts.org](mailto:info@herndonarts.org), or by contacting the Council for the Arts of Herndon at 703-689-9535.

33. **SUPPORT OF SUMMER YOUTH ACTIVITIES** (11:34 a.m.)

Supervisor Smyth said that the Road Dawg and Rec-Pac/Quest are two active County programs that engage youth in a structured program in the summer months. The Road Dawg Camp is a week-long camp for at-risk youths that is conducted in August and provides an opportunity for police officers to serve as mentors and introduce boys and girls to the public safety profession. Rec-Pac/Quest, operated by the Park Authority, is a six week structured recreation program with emphasis on leisure skills designed for elementary school children. Rec-Quest is a six week structured recreation program designed for middle school children. She noted the value of these programs.

Supervisor Smyth added that some youths have barriers to access to the above-mentioned programs due to transportation restrictions. Accordingly, she moved that the Board direct staff to include \$6000 as a Fiscal Year 2006 Budget Consideration Item to provide transportation in support of these programs serving the community surrounding Graham Road Elementary School.

Supervisor Bulova asked to amend the motion to direct staff to:

- Determine what other areas of the County may have a problem with transportation to these programs.
- Increase the amount for the Consideration Item to include these other areas if there is a need for transportation.

Following discussion regarding youth programs, Chairman Connolly clarified the amendment as a possible Consideration Item of \$60,000 with an analysis by staff of the actual need and geographical distribution, and this was accepted.

The question was called on the motion, as amended, which carried by a vote of nine, Supervisor McConnell being out of the room.

34. **NOMINATION FOR APPOINTMENT TO THE FAIRFAX-FALLS CHURCH COMMUNITY SERVICES BOARD (CSB) (PROVIDENCE DISTRICT)** (11:39 a.m.)

(BACs) Supervisor Smyth announced that Herbert Taylor, Providence District Representative to the CSB, said that he intends to resign upon appointment of a replacement. Mr. Taylor recommended Mrs. Mary Ann Beall for consideration as his replacement.

Accordingly, Supervisor Smyth announced her intention to nominate Mrs. Mary Ann Beall for consideration as the Providence District Representative to the CSB when the Board next considers appointments on April 25.

Supervisor Smyth announced that Mr. Taylor will be recognized for his years of service as the Providence District Lord Fairfax honoree and she asked unanimous consent that the Board direct staff to invite him to appear before the Board to be recognized for his service. Without objection, it was so ordered.

35. **CONCURRENT PROCESSING OF REZONING APPLICATION RZ 2004-PR-033 WITH PROFFERED CONDITION AMENDMENT APPLICATION PCA 93-P-016 (PROVIDENCE DISTRICT)** (11:39 a.m.)

Supervisor Smyth stated that Vintage Crest, LC, the applicant of Rezoning Application RZ 2004-PR-033, has requested to be permitted to submit its site plan for concurrent review by the Department of Public Works and Environmental Services. The applicant understands that it runs the risk of potentially having to redesign and resubmit a new site plan if substantial design changes occur during the rezoning process.

Accordingly, Supervisor Smyth moved that the Board approve concurrent processing of the site plan for the pending Rezoning/Final Development Applications RZ/FDP 2003-PR-009. She noted that this motion does not relieve Vintage Crest LC from compliance with the provisions of all applicable ordinances, regulations, and adopted standards, and does not prejudice in any way the consideration of its rezoning and proffered condition applications. Supervisor DuBois seconded the motion, which carried by a vote of nine, Supervisor McConnell being out of the room.

36. **TINNER HILL CULTURAL CENTER AND THE JOHN JACKSON CENTER FOR PIEDMONT BULES (PROVIDENCE DISTRICT)** (11:41 a.m.)

Jointly with Chairman Connolly, Supervisor Smyth reminded the Board that the Tinner Hill Heritage Foundation is a private, nonprofit, nonsectarian organization that has been diligently working on its plans to develop the Tinner Hill Cultural Center and the John Jackson Center for Piedmont Blues. She provided copies of the latest architectural rendering of the project.

Supervisor Smyth said that a proposed interactive museum to celebrate the location of the first NAACP rural branch and a Piedmont Blues performance stage are to be constructed on property located at 106 and 108 Tinner Hill Road in the County and the City of Falls Church. The foundation is currently leasing this property from the County and City. The next steps to realize this vision is the submission of a special exception application and site plans to the County.

Supervisor Smyth moved that the Board:

- Approve the expedited and concurrent processing of the Foundation's special exception application and site plans for the properties described above.
- Waive the fees associated with the Tinner Hill Foundation special exception application and site plan processing.

She noted that this motion does not otherwise relieve the Tinner Hill Heritage Foundation from compliance with the provisions of all applicable ordinances, regulations, and adopted standards, and does not prejudice in any way the consideration of the special exception application.

Supervisor DuBois and Chairman Connolly jointly seconded the motion, which carried by a vote of nine, Supervisor McConnell being out of the room.

37. **DAUGHTERS OF THE AMERICAN REVOLUTION (DAR) GOOD CITIZEN AWARDS** (11:43 a.m.)

Jointly with Supervisor Hudgins, Supervisor Smyth announced that the following two students in the County have been awarded the DAR Good Citizen Award by its Fairfax County Chapter for writing essays:

- Ms. Lisa Marie Hughes of Madison High School
- Ms. Byeri Kim of Oakton High School

Accordingly, Supervisor Smyth asked unanimous consent that the Board direct staff to prepare certificates of recognition for the two awardees. Without objection, it was so ordered.

**DET:det**

38. **EARTH DAY/ARBOR DAY CELEBRATION** (11:43 a.m.)

Supervisor Bulova announced that the County's official observation of Earth Day and Arbor Day, will be held at the Annandale Campus of Northern Virginia Community College on Saturday, April 23, 2005, from 11 a.m. until 4 p.m. Earth Day/Arbor Day is sponsored by Fairfax County Recycling, Clean Fairfax Council, Northern Virginia Community College, and Fairfax County.

Supervisor Bulova invited Board Members to join the celebration and asked unanimous consent that the Board direct:

- Appropriate staff to assist the Earth Day/Arbor Day Committee with planning the event where County involvement is needed.
- The Office of Public Affairs to draft a press release for the event and provide the Committee with a proclamation claiming April 23, 2005, as Fairfax County Earth Day/Arbor Day Celebration. Following the event, Certificates of Recognition should be prepared to thank the sponsors of the event so that they can appear before the Board to be recognized.

Without objection, it was so ordered.

39. **A LOOK BACK AT BRADDOCK (BRADDOCK DISTRICT)** (11:45 a.m.)

Supervisor Bulova said that she and her staff often heard stories about "old time" Braddock, especially when people who had lived there the longest could no longer manage the upkeep of their older homes or former farmhouses and applied to the County to rezone their property. For years there had been talk about capturing these old stories before they were lost forever. This year, Supervisor Bulova said that she decided to do something about it.

At Braddock District's October 20, 2004 Fall Town Meeting, Supervisor Bulova stated that her office kicked off a year-long history project: A Look Back at Braddock. The Town Meeting provided an overview of history in the Braddock District along with information about research and preserving history.

Supervisor Bulova said that History Year will continue with a spring town meeting on May 25, 2005. The program for that meeting will include presentations about evidence of Native American activities in the Braddock area, early land grants and colonial settlements, and Braddock in times of war and conflict. The focus on history will conclude with a Fall 2005 Town Meeting scheduled for October 19. That program will focus on Braddock's evolution from early history to the present and will cover Braddock's oldest roads and settlements, public institutions and governance, and how present neighborhoods began.

Supervisor Bulova said that Bud Mayo, Braddock District's Representative on the History Commission, is assisting with this project. In addition, approximately 20 individuals have volunteered to serve on a Look Back at Braddock Task Force and are working with the Braddock District office to:

- Gather written anecdotes, photographs, and historic materials.
- Record and transcribe oral histories from older residents.
- Organize and edit written materials and anecdotal text into both a book and electronic version.
- Produce a layered map tracing the boundaries, landmarks, and features of Braddock District from early history to the present.
- Conduct a Student History Paper Competition.

Supervisor Bulova asked unanimous consent that the Board:

- Direct the Office of Public Affairs to assist the Braddock District office in publicizing these activities, in particular, to encourage people to look for old photos and materials that can help tell the story of Braddock District.
- Direct staff to provide minor assistance for some of the projects (i.e. staff in GIS mapping for help with the layered map).

Without objection, it was so ordered.

40. **911 MEMORIAL GARDEN AT THE GOVERNMENT CENTER** (11:47 a.m.)

Supervisor Bulova reminded the Board that it has participated in very beautiful and moving ceremonies to commemorate the terrorist attacks of September 11, 2001, at a lovely little spot, designed by the Tree Commission, at the Government Center.

Recently, a number of issues regarding the 911 Memorial Garden was brought to Supervisor Bulova's attention, including the fact that sometimes plant materials had been stolen. Routine maintenance of the Government Center appeared to exclude the memorial, and plants and flowers were lost during dry periods of the year.

Supervisor Bulova stated that members of the Tree Commission recall that the County was supposed to contribute \$10,000 toward the creation of the Memorial Garden and they do not believe the funding was ever allocated.

Supervisor Bulova asked unanimous consent that the Board:

- Allocate \$10,000 to be used to extend water lines to the Memorial Garden (the cost estimate they have received is \$8,000), and to provide lighting to the memorial to improve security.
- Direct staff to provide routine, but professional, maintenance to the area, along with the rest of the Government Center. The Commission has offered to continue to provide volunteer assistance to supplement this routine maintenance.
- Direct staff to report to the Board as soon as possible.

Without objection, it was so ordered.

Supervisor Hyland noted that maintenance of the grounds of the Government Center was provided by the Sheriff's Office, and he was satisfied with their upkeep. Following discussion, with input from Anthony H. Griffin, County Executive, Supervisor Bulova stated that she was not looking for an outside "professional" operation to be brought in, just that the work be done in a professional manner and she asked unanimous consent that the Board direct the County Executive to discuss this with the Sheriff's Office. Without objection, it was so ordered.

41. **EARLY INTERVENTION AWARENESS MONTH** (11:51 a.m.)

Supervisor Gross stated that children who were born with developmental delays and disabilities must receive immediate intervention treatment when they are diagnosed. This early intervention is crucial to their future development and well-being and to their families. Throughout the nation, May has been designated as Early Intervention Awareness Month.

Supervisor Gross asked unanimous consent that the Board:

- Declare May 2005 as "*Early Intervention Month*" in Fairfax County.
- Invite staff, providers, and clients of the Infant and Toddler Connection of Fairfax-Falls Church to appear before the Board for a proclamation to that effect.

Without objection, it was so ordered.

42. **MEL RIDDILE, PRINCIPAL OF J.E.B. STUART HIGH SCHOOL, SELECTED AS 2005 PRINCIPAL OF THE YEAR BY THE VIRGINIA ASSOCIATION OF SECONDARY SCHOOL PRINCIPALS (MASON DISTRICT)** (11:52 a.m.)

Supervisor Gross informed the Board that Mel Riddile, principal of J.E.B. Stuart High School, Mason District, was selected as 2005 Principal of the Year by the Virginia Association of Secondary School Principals. This singular honor recognized the incredible efforts of Dr. Riddile to ensure that the education process in what may be the nation's most diverse public high school was successful and rewarding for all: students and teachers alike.

Supervisor Gross asked unanimous consent that the Board direct staff to invite Dr. Riddile to appear before the Board to receive congratulations on this significant achievement. Without objection, it was so ordered.

43. **CONCURRENT PROCESSING FOR REZONING APPLICATION RZ 2003-LE-055 (LEE DISTRICT)** (11:53 a.m.)

Supervisor Kauffman said that the applicant for Rezoning Application RZ 2003-LE-055 is requesting that the Board approve concurrent processing of its site plan so that the Department of Public Works and Environmental Services will accept and review the site plan application while the application is being processed.

Therefore, Supervisor Kauffman moved that the Board approve concurrent processing for the property which is the subject of Rezoning Application RZ 2003-LE-055. This motion should not be construed as a favorable recommendation on the application and does not relieve the applicant of compliance with provisions of any applicable ordinances, regulations, or standards in anyway. Supervisor Hyland seconded the motion and it carried by unanimous vote.

44. **COMMUNITY PARKING DISTRICT IN KINGSTOWNE (LEE DISTRICT)** (11:54 a.m.)

Supervisor Kauffman said that the Kingstowne Residential Owners Corporation (KROC) has successfully demonstrated widespread community support to complete Phase II in the establishment of the Community Parking District (CPD) by accumulating required signatures representing 60 percent of the petition area for this second phase. The CPD in Kingstowne was established in two phases. Phase 1 covered those streets that were off bond by May 2004 and had been turned over to the Virginia Department of Transportation (VDOT). Phase 2 streets included Castlewellan Drive, Greendale Village Drive, and Horgan Court, which were still on bond in May 2004 and thus had not been turned over to VDOT when the first phase of the CPD was established.

Since the intent was for Phase 2 streets to be added to the CPD once they were off bond and turned over to VDOT, and because the number of townhouses would be an excessive financial burden on the community, Supervisor Kauffman moved that the Board waive the fee for establishing the remainder of the Kingstowne CPD. This is consistent with the Board's approval to waive fees on Phase 1 of this CPD. KROC agrees that should any future Kingstowne streets be added to a CPD, KROC will pay the required fee. The second to this motion was inaudible.

Following discussion regarding the CPD process, Supervisor Bulova asked to amend the motion that the Board direct staff to review the process to determine if the process to create a CPD could be changed to reduce the costs, and this was accepted.

Supervisor Hyland asked unanimous consent that the Board direct staff to review the State code from the perspective of enforcement. Without objection, it was so ordered.

Supervisor Bulova asked unanimous consent that the Board direct staff to review reducing the \$10 fee per signature for the petition. Without objection, it was so ordered.

The question was called on the motion, as amended, which carried by unanimous vote.

46. **BULL RUN CHESS TEAM WINS STATE TITLE (SULLY DISTRICT)** (12:03 p.m.)

Supervisor Frey announced that the Bull Run Elementary School's chess team won first place in the Virginia Scholastic Chess Championship in both the Kindergarten through Third Grade and Kindergarten through Fifth Grade Divisions during the competitions held March 12-13 in Yorktown, Virginia. This is the second consecutive year that the Kindergarten through Fifth Grade Division has won the State championship in which more than 470 students competed.

In honor of this achievement, Supervisor Frey asked unanimous consent that the Board direct staff to invite the chess team to appear before the Board for recognition of this accomplishment. Without objection, it was so ordered.

47. **"RACHEL CARSON DAY" IN FAIRFAX COUNTY** (12:04 p.m.)

Jointly with Supervisor Frey, Supervisor Hyland said that the Rachel Carson Council seeks to inform and advise people and institutions about the effects of pesticides that threaten the health, welfare, and survival of living organisms and biological systems. The Council promotes alternative, environmentally benign pest management strategies to encourage healthier lifestyles. The Council fosters a sense of wonder and respect towards nature.

Therefore, Supervisor Hyland moved that the Board:

- Proclaim May 27 as "*Rachel Carson Day*" in Fairfax County.
- Invite citizens throughout the County to observe this day, the birth date of Rachel Carson, by refraining from using chemical pesticides on this day and ask the citizens of Fairfax County for their cooperation in seeking alternative methods of pest management.

Supervisor Frey seconded the motion.

Supervisor Frey asked unanimous consent that the Board direct staff to involve the children from Rachel Carson Middle School. Without objection, it was so ordered.

The question was called on the motion and it carried by unanimous vote.

48. **LORTON LIBRARY TURNS 15 (MOUNT VERNON DISTRICT)** (12:06 p.m.)

Supervisor Hyland said the Lorton Library, located at 9520 Richmond Highway, invites residents to celebrate its fifteenth anniversary with free food, Winnie the Pooh, the Bob Brown Puppets, the Pohick Pickers and more from 10 a.m. – 5 p.m. on Saturday, April 9. For details or directions, call 703-339-7385.

Supervisor Hyland outlined the events of the day. Therefore, Supervisor Hyland asked unanimous consent that the Board direct the Office of Public Affairs to advertise Lorton Library's fifteenth birthday on channel 16 and he invited all members of the Board and the Mount Vernon District to attend the celebration. Without objection, it was so ordered.

49. **PROPOSALS FROM MR. FRANK MEDICO** (12:07 p.m.)

Supervisor Hyland said on March 16 his office received a letter from Mr. Frank Medico and he asked unanimous consent that the Board direct staff to respond to the proposals in Mr. Medico's letter and report on the potential impact to the County's budget if enacted. Without objection, it was so ordered.

50. **GIRL POWER!** (12:08 p.m.)

Jointly with Supervisor Kauffman, Supervisor Hyland moved that the Board direct staff to invite the representatives of *Girl Power!* to appear before the Board on Monday, May 9 to be recognized for the long term benefit this program provides young women, and that they be presented with a proclamation naming Saturday, May 14 as "*Girl Power!*" Day in Fairfax County. Supervisor Kauffman seconded the motion and it carried by unanimous vote.

51. **FAIR CHASE DEVELOPMENT (SPRINGFIELD DISTRICT)** (12:08 p.m.)

Supervisor McConnell said that William Fogarty, counsel for Walsh, Colucci, Lubeley, Emrich and Terpak, on the behalf of Fair Chase Development LLC, has requested that the Board refuse an offer of dedication of 2,077 square feet of common open space, located within Parcel F, Fair Chase, Section One. Parcel F contains a storm water management pond and would consist of 1.41 acres after this proposed lot line adjustment. The developer intends to reduce the area of Parcel F and add the same area to Parcel E to facilitate the location of a condominium building and its sidewalk within Parcel E. The reduction in the size of Parcel F would not adversely affect the storm drainage facilities located thereon. Since the 2,077 square feet will temporarily be owned by the developer before being transferred to the condominium owner as open space within Parcel E, the transfer constitutes a "disposal" of common open space under Section 2-702(4) of the Zoning Ordinance, thereby requiring that the Board decline the offer of dedication for the developer to proceed. Furthermore, the open space is located in an area that is not adjacent to other open space parcels owned by the Board or the Park Authority. The Department of Planning and Zoning has reviewed the application and has determined that the acceptance of the open space would not create a benefit to the County and there would be no harm in the Board refusing the open space as requested by the developer.

Therefore, Supervisor McConnell moved that the Board refuse the offer of dedication of 2,077 square feet of open space of the Fair Chase subdivision, as provide for in the Zoning Ordinance. This motion, the second to which was inaudible, carried by unanimous vote.

52. **BUDGET CONSIDERATION ITEMS** (12:11 p.m.)

There was a brief discussion of budget items under consideration by the Board. Chairman Connolly said that Consideration Items should be submitted by Friday, April 8.

Chairman Connolly relinquished the Chair to Vice-Chairman Bulova and asked unanimous consent that the Board direct staff to provide the Board with a list of the Consideration Items. Without objection, it was so ordered.

Vice-Chairman Bulova returned the gavel to Chairman Connolly.

53. **RECESS/CLOSED SESSION** (12:12 p.m.)
