(11:08 a.m.)

Supervisor Gross moved that the Board concur in the recommendation of staff and direct staff, on behalf of the Board, to provide the following comments and recommendations to the Virginia Department of Transportation regarding the proposed pedestrian bridge and fencing on Arlington Boulevard at Seven Corners, as presented at the July 29, 2004, Design Public Hearing:

- That a plan be developed to provide landscaping around the bridge, ramps, and fencing. This should include trash receptacles to minimize litter in the area.
- That the bridge structure be built using galvanized steel to reduce maintenance requirements.
- That the railings and fixtures be compatible with the County's Commercial Revitalization plan for the area.
- That the top of the stairwells have similar rooflines as the adjacent shopping center so as to be architecturally compatible.

- That the bridge and ramps be lit to provide a safe facility at night. Consideration should be made in the design to discourage possible inappropriate use of the area under the ramps.
- That the sidewalk be extended along the north side of Arlington Boulevard to connect to the Willston Shopping Center.

Supervisor Hyland seconded the motion.

Following discussion regarding fencing along both sides of Route 50, but not down the middle of Route 50, as was suggested, the question was called on the motion and it carried by unanimous vote.

20. **A-2 – ENDORSEMENT OF FISCAL YEAR 2005 VIRGINIA DEPARTMENT OF TRANSPORTATION'S ENHANCEMENT PROGRAM PROJECT APPLICATIONS** (11:09 a.m.)

(Rs) On motion of Supervisor Smyth, seconded by Supervisor Hyland, and carried by unanimous vote, Supervisor Bulova, Supervisor DuBois, Supervisor Frey, Supervisor Gross, Supervisor Hudgins, Supervisor Hyland, Supervisor Kauffman, Supervisor McConnell, Supervisor Smyth, and Chairman Connolly voting "AYE," the Board concurred in the recommendation of staff and:

- Endorsed the enhancement projects for which applicants have identified a source for the required minimum 20 percent match as contained in the Board Agenda Item dated October 18, 2004.
- Directed the County Executive to execute a Project Endorsement Resolution for each project endorsed.

21. **A-3 – AGREEMENT TO USE PRIVATE PROPERTY TO PROVIDE FAIRFAX CONNECTOR SERVICE TO THE MOUNT VERNON HOUSE AND NEIGHBORING AREA (MOUNT VERNON DISTRICT)** (11:10 a.m.)

Supervisor Hyland moved that the Board concur in the recommendation of staff and:

- Approve an agreement, in substantial form, between the County and Mount Vernon Associates LLLP to allow FAIRFAX CONNECTOR buses to utilize the private roadway of Mount Vernon House in order to travel between Tis Well Drive and Holland Road.
- Authorize the Director of the Department of Transportation to sign the final agreement.

Supervisor McConnell seconded the motion.

Discussion ensued regarding bus service to those who live in, work at, and travel to Mount Vernon House, Mount Vernon Nursing Home, and other nearby destinations.

The question was called on the motion and it carried by unanimous vote.

24. **I-1 – STATUS REPORT ON TRANSPORTATION CAPITAL PROJECTS WITHIN FAIRFAX COUNTY** (11:17 a.m.)

The Board next considered an item contained in the Board Agenda dated October 18, 2004, reporting on the status of the transportation capital projects within the County.

Supervisor Kauffman called the Board's attention to handwritten page 76, the Franconia/Springfield Parkway/I-95 General Access Ramps project, and noted that one of the key issues with the Board moving forward with the project was the understanding that a grade separation at Bonnie Mill be built in advance or concurrent with the project. Therefore, Supervisor Kauffman asked unanimous consent that the Board direct staff to correct the item to include this project.

Following discussion, with input from Karyn L. Moreland, Capital Projects Section, Department of Transportation, without objection, it was so ordered.

Supervisor Smyth called the Board's attention to handwritten page 29, the Route 29 from I-495 to Espana Court project, and noted that the label on the project was out of sync with the description. Therefore, Supervisor Smyth asked unanimous consent that the Board direct staff to change the label of the item. Without objection, it was so ordered.

Supervisor Bulova called the Board's attention to handwritten page 27, the Lee Highway from Shirley Gate Road to Old Centreville Road project, and said that although this project is currently in preliminary design, when improvements are made to Lee Highway, hopefully it will include trail and sidewalks on both sides of the road.

25. **I-2 – RECOGNITION OF COMPREHENSIVE ANNUAL FINANCIAL REPORT (CAFR) AND ANNUAL BUDGET BY THE GOVERNMENT FINANCE OFFICERS ASSOCIATION (GFOA)** (11:20 a.m.)

The Board next considered an item contained in the Board Agenda dated October 18, 2004, announcing that the County's CAFR and the Annual Budget have been recognized by the GFOA for excellence in financial reporting and budgeting.

26. **I-3 – PLANNING COMMISSION ACTION ON PUBLIC FACILITIES REVIEW APPLICATION 2232-D04-7, VERIZON WIRELESS (DRANESVILLE DISTRICT)** (11:20 a.m.)

The Board next considered an item contained in the Board Agenda dated October 18, 2004, announcing the Planning Commission's approval of Public Facilities Review Application 2232-D04-7, Verizon Wireless.

27. **I-4 – CONTRACT AWARD – CONTRACT FOR ARCHITECTURAL/ENGINEERING DESIGN SERVICES FOR THE WOLF TRAP FIRE STATION (DRANESVILLE DISTRICT)** (11:20 a.m.)

The Board next considered an item contained in the Board Agenda dated October 18, 2004, requesting authorization for staff to award a contract to Hughes Group Architects in the amount of \$643,000 to provide architectural and engineering design services for the Wolf Trap Fire Station.

Supervisor DuBois noted that this project is in the Dranesville District, not the Hunter Mill District.

Discussion ensued with input from Jimmie D. Jenkins, Director, Department of Public Works and Environmental Services (DPWES), and Carey Needham, Chief, Building Design Branch, Planning and Design Division, DPWES, regarding air intake systems in fire stations.

The staff was directed administratively to proceed as proposed.

28. **I-5 – CONTRACT AWARD – ROUTE 29/BULL RUN POST OFFICE ROAD (SULLY DISTRICT)** (11:23 a.m.)

The Board next considered an item contained in the Board Agenda dated October 18, 2004, requesting authorization for staff to:

- Award a contract to A and M Concrete Corporation in the amount of \$788,180.05 for the construction associated with Project 064228, Route 29/Bull Run Post Office Road.
- Reallocate funds in amount of \$1,003,984.61 from Project 006490, Construction Reserve.

29. **I-6 – PROJECT COOPERATION AGREEMENT BETWEEN THE US DEPARTMENT OF THE ARMY, FAIRFAX COUNTY, AND PRINCE WILLIAM COUNTY FOR THE CONSTRUCTION OF THE OCCOQUAN RIVER FEDERAL NAVIGATION CHANNEL IMPROVEMENT PROJECT (OCCOQUAN RIVER DREDGING PROJECT) (MOUNT VERNON AND SPRINGFIELD DISTRICTS)** (11:23 a.m.)

The Board next considered an item contained in the Board Agenda dated October 18, 2004, requesting authorization for the Chairman of the Board, on behalf of the County, to sign an agreement with Prince William County and the Corps of Engineers for the construction of the Occoquan River Federal Navigation Channel Improvement Project.

The staff was directed administratively to proceed as proposed.

30. **I-7 – AGREEMENT FOR THE DEVELOPMENT AND OPERATION OF ASH CONDITIONING EQUIPMENT AT THE ENERGY/RESOURCE RECOVERY FACILITY** (11:24 a.m.)

The Board next considered an item contained in the Board Agenda dated October 18, 2004, requesting authorization for the County Executive, on behalf of the County, to sign an agreement between the County, the Solid Waste Authority, and Covanta Fairfax, Incorporated, for the development and operation of ash conditioning equipment.

Following discussion regarding the ash conditioning equipment, the staff was directed administratively to proceed as proposed.

ADDITIONAL BOARD MATTERS

31. **DONATIONS IN MEMORY OF THE LATE DR. DONALD J. SENESE** (11:25 a.m.)

(BACs) (NOTE: Earlier in the meeting, Supervisor Hyland announced the death of Dr. Donald J. Senese. See page 8.)

Supervisor Hyland reported that in lieu of flowers, the wife of the late Donald J. Senese, Citizen Representative to the History Commission, requested that any memorial donations be made to the History Commission.

Chairman Connolly noted that the Board would find an appropriate way to honor Dr. Senese at a later date.

32. **ENGINEERING STANDARDS REVIEW COMMITTEE (ESRC) PAST CHAIRMAN RECOGNITION** (11:26 a.m.)

(BACs) Chairman Connolly said that on March 23, 1992, the Board confirmed the appointment of Mr. Dana Eddy to the ESRC as the representative for the Virginia Chapter of Associated Builders and Contractors, Incorporated. Mr. Eddy was reappointed again to the ESRC in 1995, 1998, and 2001, with his final term ending in March 2004 after 12 years of service.

Therefore, Chairman Connolly relinquished the Chair to Vice-Chairman Bulova and asked unanimous consent that the Board direct staff to invite Mr. Eddy to appear before the Board and receive recognition for his outstanding service. Without objection, it was so ordered.

33. **CHESAPEAKE BAY NUTRIENT REDUCTION** (11:26 a.m.)

Chairman Connolly said that on September 17, 2004, staff briefed the Board's Legislative Committee on recent revisions to the Virginia Tributary Strategies to restore the quality of the Chesapeake Bay. The Chesapeake Bay Commission estimates the total cost of the bay clean-up to be \$12.8 billion, with Virginia's share being \$5.1 billion for both point and non-point sources of pollution. The County's share of the cost for point sources only (i.e., wastewater treatment plants) is estimated in the range of \$165 million to \$180 million. A dedicated revenue source is critical to meeting these costs.

Therefore, Chairman Connolly moved that the Board endorse the letter contained in his written Board Matter which requests the Fairfax County Legislative Delegation to identify the best means of funding and implementing the Chesapeake Bay nutrient strategies during the 2005 General Assembly. Supervisor Gross seconded the motion.

Following a brief comment about the cost, the question was called on the motion and it carried by unanimous vote.

34. **NOMINATION PROCESS FOR PLACEMENT OF LAUREL HILL ON THE NATIONAL REGISTER OF HISTORIC PLACES (MOUNT VERNON DISTRICT)** (11:27 a.m.)

Chairman Connolly said that he recently received a letter from Charles Bierce, Chairman, Architectural Review Board, in which he requests that the County submit an application nominating Laurel Hill, the former Lorton prison operated by the District of Columbia's Department of Corrections, for placement on the National Register of Historic Places.

Therefore, Chairman Connolly moved that the Board direct the Director of the Department of Planning and Zoning to proceed to employ consultant assistance to prepare the application for possible inclusion in the National Register of Historic Places and that the funds for this effort be absorbed within the funds already appropriated for Laurel Hill by the Board. Supervisor Hyland seconded the motion and it carried by unanimous vote.

35. **WASHINGTON AREA CONFERENCE ON TELEWORK (WACOT) SENIOR EXECUTIVE FORUM** (11:28 a.m.)

Chairman Connolly said on Tuesday, October 12 the County held a very successful WACOT Senior Executive's Forum at the Tower Club in Tysons Corner. There were a number of speakers including Congressman Frank Wolf, Washington Board of Trade President Bob Peck, Bill Lecos from the Fairfax County Chamber, Delegate Jim Scott, and numerous representatives of corporations in the County and the region as it kicked off a major effort to enlist the private sector in the project to meet the region's telework goal. The County

leads the region as a local government in its progress toward the goal of having 20 percent of its eligible workforce teleworking by 2005. The County is the only locality in the Washington Metropolitan Council of Governments that has formally adopted a plan to achieve the 20 percent goal. He noted that County government has now increased teleworking to 13 percent of eligible workers. He distributed copies of the conference's agenda and discussed the future of teleworking as a tool for decreasing the region's traffic congestion.

36. **AMERICA RECYCLES DAY** (11:26 a.m.)

Chairman Connolly said that "America Recycles Day" is a national celebration with the goals of raising awareness about recycling and encouraging the purchase of recycled-content products both within the County government as well as with the residents and businesses located in the County. To celebrate, the County will host the annual Community Recycling Roadshow at Herndon High School on Saturday, November 13, from 10 a.m. to 4 p.m. Herndon High School's Students Against Global Abuse (SAGA) will host the event in association with several community partners.

Therefore, Chairman Connolly moved that the Board:

- Direct the Office of Public Affairs to publicize the Community Recycling Roadshow.
- Proclaim November 15, 2004, as "*America Recycles Day*" in Fairfax County.
- Direct the Office of Public Affairs to invite appropriate representatives from the Fairfax County Division of Solid Waste Collection and Recycling, Department of Public Works and Environmental Services and SAGA to be presented with the proclamation at the November 15, 2004, Board meeting.

Vice-Chairman Bulova seconded the motion, which carried by unanimous vote.

37. **SMILE PROGRAM RECOGNITION** (11:30 a.m.)

Chairman Connolly said that October 5 was the due date for personal property taxes. He added that thanks to initiatives such as online bill payments and advance automobile decal mailings, the Department of Tax Administration (DTA) has greatly reduced the need for as many citizens to physically come to the Government Center to pay their taxes in person. This saves the citizens time and effort, and saves the County administrative overhead costs. Nevertheless, some citizens still come to the Government Center to pay their personal property taxes, and thanks to DTA's SMILE Program and an army of red-shirted staffers aiding the citizens, that process was smooth and successful.

Therefore, on behalf of the Board, Chairman Connolly asked unanimous consent that the Board express its appreciation to Kevin Greenlief, Director of the DTA, and all of the employees who participated in the SMILES program, whether wearing the red shirts or answering the DTA phone lines, for their tremendous service to the citizens of Fairfax County. Without objection, it was so ordered.

Chairman Connolly asked unanimous consent that the Board direct staff to draft an appropriate certificate for presentation to Mr. Greenlief and his colleagues at DTA. Without objection, it was so ordered.

38. **RECOGNITION OF THE RECEIPT OF THE BEST WORKPLACES FOR COMMUTERS (BWC) AWARD BY THE COUNTY** (11:30 a.m.)

Chairman Connolly said that the BWC Program was established by the US Environmental Protection Agency and the US Department of Transportation to advocate employee commuter benefits. Employers that provide and administer a commuter benefits program that meets the BWC's National Standard of Excellence are recognized by the designation "Best Workplaces for Commuters" – a mark of excellence for environmentally and employee-friendly organizations.

Fairfax County recently received the "BWC" award. Chairman Connolly said that by providing its employees with commuter benefits such as ridesharing and carpool matching, parking at park-and-ride lots, reserved parking spaces for carpoolers and vanpools, secure bicycle parking, and by encouraging telework, the government of Fairfax County clearly earned this award, as it truly is one of the Best Workplaces for Commuters.

Therefore, Chairman Connolly asked unanimous consent that the Board direct staff to invite the appropriate staff at the appropriate time to appear before the Board to be recognized for its outstanding efforts in promoting telework and other strategies of the BWC Program. Without objection, it was so ordered.

39. **MS. DEBORAH TYLER NAMED WINNER OF MILKEN AWARD** (11:33 a.m.)

Chairman Connolly said that Supervisor Smyth would be presenting a Board Matter on the naming of Ms. Deborah Tyler as one of two winners of the Milken National Educator Awards in Virginia. He asked unanimous consent that he join her in the presentation of that Board Matter later in the meeting. Without objection, it was so ordered.

Vice-Chairman Bulova returned the gavel to Chairman Connolly.

(NOTE: Later in the meeting, Supervisor Smyth presented the referenced Board Matter. See Clerk's Summary Item CL#58.)

40. **SAFE DIVING FACILITIES AT POOLS** (11:33 a.m.)

Supervisor DuBois stated that early this past summer, she learned of concerns, particularly with swimming pools in the Dranesville District, about the Health Department's enforcement of the pool diving well requirements of the Water Recreation Facilities Ordinance contained in Chapter 69.1 (Water Recreation Facilities Ordinance) of the Code of the County of Fairfax. Some members of pools believed that if a pool's existence predated the enactment of the current ordinance, the pool did not have to make modifications to comply with the ordinance with regard to the depth of the diving well. Some pools also replaced their diving boards without County review and approval. The ordinance provides that the Director of the Department of Health can order reasonable modifications if conditions exist that endanger the health or safety of the facility's patrons or personnel. The Health Department required adjustment or removal of diving boards at some pools and, as a result, the Northern Virginia Swim League (NVSL) diving teams could not use their home pools for practice or competition.

Supervisor DuBois said that the Health Department has been working with the affected pools and the NVSL to ensure that users have the opportunity to dive, but in the safest possible environment. She recently hosted meetings with staff and the affected groups and industry representatives to facilitate that goal.

Accordingly, Supervisor DuBois asked unanimous consent that the Board direct the Health Department, with advice from the County Attorney, to continue its efforts to work with any affected pools and the NVSL to ensure compliance with the County Code while preserving, whenever possible, the opportunity for pools to continue to offer safe diving facilities and recreational competitive diving for their patrons and to report its findings to the Board by March 31, 2005. Without objection, it was so ordered.

41. **UPDATE ON PROPOSED ZONING ORDINANCE AMENDMENT** (11:35 a.m.)

Supervisor DuBois provided an update on the proposed Zoning Ordinance amendment requested by the Board in June to allow for rezoning from a conventional zoning district where cluster subdivisions are not permitted by right to the corresponding PDH District with the provisions of one bonus dwelling unit. She noted that this was a specific request resulting from a residential development that was proposed in the Dranesville District.

Supervisor DuBois said that subsequent to the advertisement of the proposed amendment, the applicant who had requested the PDH zoning withdrew the application. On October 14 the Planning Commission deferred this matter indefinitely. The public hearing before the Board was scheduled for November 15. She said that she discussed the matter with staff who expressed a desire to take time for further review in the context of the overall annual review of

the recently adopted cluster provisions. She noted that the Board will be revisiting this proposed amendment after further study and possible revision.

42. **SPECIAL EVENTS IN THE DRANESVILLE DISTRICT** (11:36 a.m.)

Supervisor DuBois announced two special events in the Dranesville District. The first, on October 15, was the fiftieth anniversary of Peter Piper Preschool in McLean. Current and past students celebrated the school's achievements over the past five decades. Supervisor DuBois congratulated Ms. Lynda O'Brien and her staff on this occasion and looked forward to their continued success.

Supervisor DuBois also announced that Mary Poole, the oldest living member of the McLean Volunteer Fire Department Ladies Auxiliary, celebrated her one hundredth birthday. She recounted some of Ms. Poole's history and noted that the McLean Volunteer Fire Department will name an ambulance after her to honor her contributions. On behalf of the Board, Supervisor DuBois offered her congratulations and thanks for Ms. Poole's dedicated service to the McLean community and wished her continued good health.

43. **GREAT FALLS FREEDOM MEMORIAL DEDICATION CEREMONY (DRANESVILLE DISTRICT)** (11:38 a.m.)

Supervisor DuBois provided copies of the invitation to the dedication ceremony for the Great Falls Freedom Memorial which will be held Saturday, November 13, at 1 p.m. on the grounds of the Great Falls Community Library. She invited the Board and the public to attend.

Accordingly, Supervisor DuBois asked unanimous consent that the Board direct the Office of Public Affairs to publicize this event. Without objection, it was so ordered.

44. **COMMENTS ON THE PROPOSED NOISE COMPATIBILITY PROGRAM FOR THE RONALD REAGAN WASHINGTON NATIONAL AIRPORT** (11:38 a.m.)

Supervisor Hyland said that the Metropolitan Washington Airports Authority (MWAA) released its proposed update to the Noise Compatibility Program for Ronald Reagan Washington National Airport and has provided an opportunity for public comment that closes on Wednesday, October 20. He added that he served as the Board's representative on an advisory committee (The Part 150 Study) for this effort, and the proposed noise abatement and noise mitigation measures that are identified in the MWAA report were developed by this advisory committee.

Therefore, Supervisor Hyland asked unanimous consent that the Board endorse the letter prepared by staff providing comments on the MWAA document and direct staff to transmit them to MWAA before the deadline. Without objection, it was so ordered.

45. **CONCURRENT PROCESSING OF PROFFERED CONDITION AMENDMENT APPLICATION PCA 80-L-070 AND SPECIAL EXCEPTION APPLICATION SE 2004-MV-020 (MOUNT VERNON DISTRICT)** (11:39 a.m.)

Supervisor Hyland said that Commonwealth Construction Management is the contract purchaser of a portion of a site identified on Tax Map 107-4 ((1)) 68A. The property is located on the west side of Gunston Cove Road between I-95 and the railroad tracks. The proffered condition amendment and special exception applications seek approval to permit construction of a concrete batch mixing operation on the heavy industrial site.

Supervisor Hyland moved that the Board direct the Director of the Department of Public Works and Environmental Services to process the site plan and other associated plans concurrently with Proffered Condition Amendment Application PCA 80-L-070 and Special Exception Application SE 2004-MV-020 for the reasons cited in his written Board Matter. Approval of this motion shall not prejudice the review of this application. Supervisor McConnell seconded the motion and it carried by a vote of nine, Chairman Connolly being out of the room.

46. **JOINT BOARD MATTER REGARDING THE SOUTH COUNTY BUS SERVICE (LEE AND MOUNT VERNON DISTRICTS)** (11:40 a.m.)

Supervisor Hyland noted that he was presenting this item jointly with Supervisor Kauffman. He said that the South County Bus Service Plan was launched September 26. The new South County Bus Service was the first major change since 1985 and included a 40 percent increase in service affecting 21 of 22 FAIRFAX CONNECTOR routes. Even with thorough planning using the latest bus trip scheduling software, staff anticipated that it would have to make adjustments after launching the service as was the case when the Dulles Corridor Express Bus Service Plan was implemented in 1999.

Supervisor Hyland said that staff determined that adjustments and changes need to be made as soon as possible to ensure schedule reliability on three routes and to make connections and service levels fit the needs of customers on several routes. Staff has advised that costs associated with these changes can be absorbed within the Fiscal Year 2005 Budget.

Therefore, Supervisor Hyland, jointly with Supervisor Kauffman, moved approval of the following changes to be effective October 31, 2004:

- Route 171: Implement a new timetable to ensure schedule reliability. Heavier than anticipated traffic volumes on Richmond Highway and passenger activity that are slowing bus travel speeds combined with inadequate running times on certain route segments are preventing trips from running according to schedule.

- Routes 321 & 322: Implement new timetables to ensure schedule reliability. Heavier traffic volumes on South Van Dorn Street, Edsall Road, and Backlick Road combined with inadequate running times on certain route segments are preventing trips from running according to schedule. Additionally, Crown Royal Drive and Oakwood Road will be removed from the route and added to a revised Route 109 as described below.
- Route 109: Revise the route and add Saturday service so that coverage, service levels, and connections between the Huntington Metro Station and the Van Dorn Street Metro Station are comparable to those provided by the former Route 109. This change addresses comments received from many customers and increases access to the John Marshall Library.
- Route 123: Delete the Van Dorn Street Metro Station and South Van Dorn Street between Franconia Road and the Metro from the route and revise the timetable accordingly. This revision will provide faster trips between the Huntington Metro Station and Springfield, which have surfaced as being the primary trip origins and destinations for most of the customers using the route.
- Route 310, 331, and 332: Add earlier and/or later trips to fit the needs of the customers based on comments received.
- Route 307: Adjust the timetable so that connections can be made with the new Route 171 at the Lorton Park-and-Ride.

Supervisor Kauffman seconded the motion.

Following discussion, with input from Jim Carrell, staff, Department of Transportation, the question was called on the motion and it carried by unanimous vote.

47. **REQUEST FOR VIRGINIA DRIVE AND LENORE DRIVE TO BE INCLUDED IN A ZONING APPLICATION (MOUNT VERNON DISTRICT)** (11:44 a.m.)

Supervisor Hyland said that a rezoning application was submitted by Potomac Custom Homes, LC for residential development. Two platted streets, Lenore Drive and Virginia Drive, both of which are unimproved, adjoin the lots that are the subject of the zoning application. These rights-of-way were created with the subdivision of property that created lots 1 and 2. With the development proposal, the applicant is proposing to include a portion of Virginia Drive and the entire segment of Lenore Drive with the development. Because the Board holds an

interest in these rights-of-way, it is required to consent to their inclusion within the area proposed for rezoning.

Therefore, Supervisor Hyland moved that the Board authorize the inclusion of 0.67 acre portions of Lenore Drive and Virginia Drive in a rezoning application to be filed by Potomac Custom Homes LC on property identified as Tax Map 98-2 ((4)) 1 and 2. This motion should not be construed as a favorable recommendation by the Board on the proposed application and does not relieve the applicant from compliance with the provisions of all applicable ordinances, regulations, or adopted standards. Supervisor Bulova seconded the motion and it carried by unanimous vote.

48. **PUBLIC HEARING DEFERRALS** (11:45 a.m.)

Supervisor Hyland announced his intent to defer, at the appropriate time later in the meeting, the following public hearings:

- Rezoning/Final Development Plan Application
RZ/FDP 2003-MV-060 (D.R. Horton, Incorporated)
- Rezoning Application RZ 2003-MV-059
- Proposed Out-of-Turn Plan Amendment S01-CW-9CP Regarding
Updates to the Police Section of the Public Safety Component of
the Policy Plan

(NOTE: Later in the meeting, these public hearings were formally deferred. See Clerk's Summary Items CL#81, CL#86, and CL#95.)

49. **HUNTING ON LITTLE HUNTING CREEK (MOUNT VERNON DISTRICT)** (11:47 a.m.)

Supervisor Hyland explained an incident whereby the Commonwealth of Virginia issued a duck hunting blind permit to an individual from Fredericksburg for Little Hunting Creek in the County. The County prohibits, by ordinance, hunting with firearms throughout the County.

Discussion ensued, with input from Michael A. Long, Senior Assistant County Attorney, regarding the history and resolution of this issue and the applicability of the County's ordinance.

Supervisor Hyland asked unanimous consent that the Board direct staff to provide its options on this issue. Without objection, it was so ordered.

50. **DESTRUCTION OF THE MASON DISTRICT PARK AMPHITHEATER BY FIRE** (11:51 a.m.)

Supervisor Gross announced the terrible loss of the Mason District Park Amphitheater which burned to the ground early Sunday, October 17, and she circulated photographs around the dais. The cause of the fire is under investigation. The community seeks to rebuild as quickly as possible.

Accordingly, Supervisor Gross moved that the Board direct staff to:

- Expedite the plan review process.
- Secure building permits as soon as possible thereafter.

Supervisor Hyland seconded the motion, and discussion ensued regarding the need for a quick rebuild and Supervisor Gross's personal history with the amphitheater.

The question was called on the motion, which carried by unanimous vote.

51. **MUTUAL AID INDEMNIFICATION PROVISIONS** (11:53 a.m.)

Supervisor Gross announced that this Board Matter is a follow-up to the discussion in the Legislative Committee last Friday afternoon. She reminded the Board that the Senate and House are expected to designate a Conference Committee to address provisions of the Mutual Aid Indemnification provisions that have been negotiated by the Metropolitan Washington Council of Governments (COG) on behalf of COG's member jurisdictions, including Fairfax County. The provisions contained in the Senate version of the bill are vital to the unique responsibilities of the National Capital Region jurisdictions, and there is only a narrow window of opportunity to advocate for the Senate provisions in the conference committee, which may meet as early as tomorrow.

Accordingly, Supervisor Gross moved that the Board endorse the draft letter to Congressman Tom Davis, as circulated to the Board, that urges him to act to preserve the Senate language intact in the conference committee, and authorizes the Chairman to sign it today so that it can be faxed to Congressman Davis and other Northern Virginia delegation members. She noted one change in the final letter from the draft: instead of stating three states in the third paragraph, it should state two states and the District of Columbia.

Chairman Connolly seconded the motion with the noted modification to the letter and it carried by unanimous vote.

52. **REQUIREMENT FOR COVERED GARBAGE CONTAINERS (MASON DISTRICT)** (11:55 a.m.)

Supervisor Gross stated that she was contacted by the president of the Landmark Mews Community Association regarding a provision in the County Code that requires covered garbage containers in lieu of the heavy mil trash bags used by the 148 homeowners at Landmark Mews for nearly 20 years. Apparently there is no exception provided in the Code, and her constituents would like to have an alternative for their townhouse community. A copy of the Landmark Mews letter was attached to her written Board Matter.

Supervisor Gross stated that she spoke with the Health Department and learned that a review of the current Code requirements is being undertaken. Accordingly, she asked unanimous consent that the Board refer the Landmark Mews request to the Health Department and other pertinent County departments for response and recommendation. Without objection, it was so ordered.

53. **ANNANDALE COMMERCIAL REVITALIZATION DISTRICT (CRD)(BRADDOCK AND MASON DISTRICTS)** (11:56 a.m.)

Jointly with Supervisor Bulova, Supervisor Gross said that the County is committed to facilitating the revitalization of older commercial areas, one of which is the Annandale Revitalization Area. To that end, amendments have been made to the Comprehensive Plan and to revitalization programs including the establishment of the Annandale CRD in 1998. Staff and the Annandale Central Business District Planning Committee identified an area west of the current Annandale CRD that should be included in the CRD to facilitate commercial revitalization.

Supervisor Gross said that she and Supervisor Bulova believe that it is appropriate to request staff to evaluate amending the Comprehensive Plan for these properties and also believe it is appropriate to initiate a Board's Own Motion to rezone the properties to be in the Annandale CRD District.

Supervisor Gross said that CRDs were established by the Board to encourage economic development activities in certain older commercial areas of the county. The properties listed in the list attached to her written Board Matter are primarily planned and zoned for commercial use and inclusion of these properties in the CRD would facilitate private investment in revitalization and provide support to help retain existing businesses as set forth in the Policy Plan. Adjusting the CRD to include these properties may provide eligibility for a partial tax exemption incentive to improve the quality of buildings within the CRD.

Therefore, Supervisor Gross and Supervisor Bulova moved that the Board:

- Initiate a Board's Own Motion rezoning application for the subject properties, which are shown on the map attached to her written Board Matter and listed by parcel number, to permit the Board to consider placing these properties within the CRD Overlay District.
- Authorize an Out-of-Turn Plan Amendment to consider Plan guidance encouraging the provision of streetscape and other visual improvements in this area.
- Waive the posting requirement as provided by Section 18-110 of the Zoning Ordinance.
- Expedite the Comprehensive Plan Amendment and rezoning application associated with the expansion of the Annandale CRD.

Supervisor Bulova seconded the motion and a brief discussion ensued regarding the proposal to expand the Annandale CRD.

The question was called on the motion, which carried by unanimous vote.

54. **RECOGNITION OF MR. AND MRS. GARY HARNEY (MASON DISTRICT)** (11:59 a.m.)

Supervisor Gross noted that a representative of the Lee Boulevard Heights Community contacted her about recognition of Mr. and Mrs. Gary Harney at the upcoming association meeting on October 26. She described some of the couple's contributions to the community.

Supervisor Gross said that the Lee Boulevard Heights Community wishes to take a formal opportunity to thank Mr. and Mrs. Harney for all of their dedication and good work. Therefore she asked unanimous consent that the Board direct staff to prepare an appropriate certificate for presentation at the October 26, 2004, meeting of the Lee Boulevard Heights Association. The certificate is to include her signature as well as the Chairman's. Without objection, it was so ordered.

55. **APPOINTMENTS TO THE RESTON COMMUNITY CENTER BOARD (HUNTER MILL DISTRICT)** (12:01 p.m.)

(APPTs) Supervisor Hudgins stated that on October 16, the Reston Community Center held its annual preference poll election for its Board of Governors. The following individuals were elected to serve three-year terms on the Reston Community Center Board of Governors and she moved their appointment:

- Ms. Beverly Cosham (reappointment)

- Terry Smith (reappointment)
- Mr. Roger Lowen (appointment)

Chairman Connolly seconded the motion, which carried by unanimous vote.

56. **RECOGNITION OF MS. LILLIE DEGREE (HUNTER MILL DISTRICT)**
(12:01 p.m.)

Supervisor Hudgins reported that more than 30 years ago, Ms. Lillie DeGree began volunteering at the newly opened Forest Edge Elementary School in Reston. Soon thereafter she became a fulltime aide there and served for 31 years. She retired as an instructional assistant.

Supervisor Hudgins asked unanimous consent that the Board direct staff to invite Ms. DeGree to appear before the Board to receive recognition for her contributions to the children of Forest Edge Elementary School and the community. Without objection, it was so ordered.

57. **RECOGNITION OF THE CHANTILLY PYRAMID MINORITY STUDENT ACHIEVEMENT COMMITTEE** (12:02 p.m.)

Jointly with Supervisor Frey and Supervisor McConnell, Supervisor Hudgins announced that on November 7 the Chantilly Pyramid Minority Student Achievement Committee will celebrate its twentieth anniversary. Its established mission is to help minority students bridge the gap in academic achievement by encouraging parents, students, teachers, and administrators to work collaboratively to achieve academic excellence. Various programs have been created to support and foster individual success stories.

Accordingly, jointly with Supervisor Frey and Supervisor McConnell, Supervisor Hudgins asked unanimous consent that the Board direct staff to invite the Chantilly Pyramid Minority Student Achievement Committee to appear before the Board at the November 15, 2004, meeting to receive a certificate of recognition for its 20 years of service to the Fairfax County Public Schools. Without objection, it was so ordered.

There was a brief discussion, with input from Merni Fitzgerald, Director, Office of Public Affairs, regarding the scheduling of presentations for November.

58. **REQUEST FOR CERTIFICATE OF RECOGNITION FOR MS. DEBORAH TYLER (PROVIDENCE DISTRICT)** (12:04 p.m.)

(Earlier in the meeting, this issue was discussed. See Clerk's Summary Item CL#39.)

Supervisor Smyth said that the Milken Family Foundation National Educator Awards program provides public recognition and financial rewards to elementary and secondary school teachers, principals, and other education professionals who are furthering excellence in education. From its original presentation of awards to a dozen California educators, the program has grown to national stature as the largest teacher recognition program in the United States, with participating partners in 47 states and the District of Columbia.

Criteria for selection include exceptional educational talent via instructional practices in the classroom, school, and profession; outstanding accomplishments and long-range potential for professional and policy leadership; and an inspiring presence that motivates students, colleagues, and the community. Thus far, the foundation has awarded over \$50 million in awards to more than 2,100 educators across the country.

On behalf of Chairman Connolly, and Providence District School Board Representative Phil Niedzielski-Eichner, Supervisor Smyth announced that Deborah Tyler, principal of Pine Spring Elementary School in Providence District, is one of this year's prestigious awardees of the Milken Family Foundation National Educator Awards program.

Supervisor Smyth referred to her written Board Matter and outlined Ms. Tyler's accomplishments.

Therefore, Supervisor Smyth asked unanimous consent that the Board direct staff to prepare a certificate of recognition for Ms. Tyler for her outstanding service to the Schools to be presented at the November 15, 2004, Board meeting. Without objection, it was so ordered.

59. **BRADDOCK BYLINE (BRADDOCK DISTRICT)** (12:06 p.m.)

Supervisor Bulova distributed to Board Members the *Braddock Byline* and reviewed some of the upcoming events in Braddock District.

60. **PROTECTING ATHLETIC FIELD INVESTMENTS** (12:07 p.m.)

(BACs) Jointly with Supervisor Hyland, Supervisor Kauffman said the Lee-Mount Vernon Soccer Association shared its concern over damage being caused to park and school fields by organized "walk-on" groups of adult soccer teams. These groups have not only failed to apply for permits; they frequently block the fields and

associated parking lots to keep permitted youth groups at bay and intimidate them if they attempt to use the field as scheduled. Finally, the groups regularly use fields during and after inclement weather and when fields have been specifically closed for repairs or maintenance.

To preserve the fields, Supervisor Kauffman moved that the Board direct staff from the Park Authority, the Department of Community and Recreation Services (CRS), Police and Schools to work with the Athletic Council and key community partners to review the following proposals and investigate best practices for the control of unauthorized use to minimize the ongoing damage to the school and park fields:

- Revisit the definition of "group" or organized play to provide clarity.
- Develop control measures for walk-on or unauthorized use.
- Develop monitoring and enforcement procedures to allow permitted use of level 1 and 2 fields.
- Promote field design and equipment requirements that provide optimal opportunities to maintain playing surfaces and control unauthorized use (i.e. discouraging use of permanent goals that invite walk-on use).
- Craft an outreach program to non-permitted organized groups to increase their understanding of field use policies and prompt their participation as authorized users.
- Develop methods to ensure fields are not used during periods when field damage is most likely to occur.

Supervisor Kaufmann further moved that the Board direct staff from the Park Authority, Schools, and CRS to develop a plan to maintain the County's investment in the recently improved fields and consider consolidating funding and maintenance under the Park Authority's school maintenance program. Supervisor Hyland seconded the motion.

Following discussion regarding the use of fields and the sale of food items, Supervisor Gross asked unanimous consent that the Board add the Health Department to the list of those groups reviewing the issue. Without objection, it was so ordered.

The question was called on the motion and it carried by a vote of nine, Supervisor DuBois being out of the room.

61. **HIGH OCCUPANCY/TOLL (HOT) LANES** (12:18 p.m.)

Supervisor Kauffman said that at a recent meeting of the Metro Board, he and Supervisor Hudgins learned that the County has an unusual stake in the proposed Congressional Reauthorization bills. As currently proposed, the House version (HR 3550) limits any revenue derived from HOT lane tolls to highway capacity only - not for transit. The proposed Beltway HOT Lane project was recently significantly modified to incorporate some commitments to transit.

Accordingly, Supervisor Kauffman asked unanimous consent that the Board direct staff to prepare a letter to the local congressional delegation urging it to preserve transit as an integral part of any HOT lane projects. Without objection, it was so ordered.

62. **PROPOSED WOMEN'S HEALTH FACILITY IN LORTON (LEE DISTRICT)** (12:20 p.m.)

Supervisor Kauffman said that at a meeting last week called by Congressional Representatives Moran and Davis to discuss the status of projects at Fort Belvoir, he learned for the first time of an Inova Health System proposal to build a new Women's Health Facility in Lorton.

Supervisor Kauffman said that according to the Army, Inova plans to submit a proposal for this facility on December 1, 2004. The proposal is to build a facility "with a 10-20 bed short stay unit, 20-30 bed OB unit, and a level 3 NICU" in the Lorton area on land supposedly already purchased and owned by Inova.

Supervisor Kauffman said that how this proposal relates to the Board's ongoing efforts to strengthen Mount Vernon Hospital as a full service hospital serving the County is unknown and of great concern. The Board and community should have been engaged in earlier discussions about this proposal or any other related plans.

Therefore, Supervisor Kauffman asked unanimous consent that the Board direct the Chairman to send a letter to Inova Health Systems to express concern over not being informed, and to request Inova to schedule a briefing with Knox Singleton of Inova, Chairman Connolly, and himself. Without objection, it was so ordered.

Supervisor Gross asked unanimous consent that the Board direct staff to request an update from Inova. Without objection, it was so ordered.

A brief discussion ensued regarding the proposal.

63. **KINGSTOWNE GOLF PARK (LEE DISTRICT)** (12:24 p.m.)

- (A) Supervisor Kauffman moved that the Board direct staff to schedule a public hearing to be held before the Board on November 15, 2004, regarding the Kingstowne Golf Park, Proffered Condition Amendment Application PCA C-448-31, Final Development Plan Amendment Application FDPA C-448-31-02-01 (concurrent with Special Exception Application SE 2004-LE-015). In no way does this prejudice the Board's future action on any of the cases.

Following input from Catherine A. Chianese, Assistant to the County Executive, it was noted that the public hearing will be held at 5 p.m.

Supervisor Bulova seconded the motion and it carried by a vote of nine, Supervisor DuBois being out of the room.

64. **EDISON HIGH SCHOOL MARCHING EAGLE BAND (LEE DISTRICT)** (12:25 p.m.)

Supervisor Kauffman said that the Edison High School Marching Eagle Band and Guard has been awarded a trophy for its first place Group II finish in the Tournament of Bands held on September 25 at Lancaster Catholic High School in Lancaster, PA.

Supervisor Kauffman asked unanimous consent that the Board direct staff to invite the band and Erik Richards, Band Director, to appear before the Board at a future meeting for formal recognition and that a certificate be prepared to present to the Marching Eagles and Mr. Richards. Without objection, it was so ordered.

65. **LEE DISTRICT TOWN MEETING** (12:26 p.m.)

Supervisor Kauffman announced that the Lee District town meeting will be held on October 23, 2004, at Lane Elementary School beginning at 10 a.m.

66. **ANNUAL TOUR DE LEE AND FAMILY TOUR (LEE DISTRICT)** (12:26 p.m.)

Supervisor Kauffman announced that the Annual Tour de Lee and Family Tour will be held on Sunday, October 24, 2004, with registration from 8-9:30 a.m. for the Tour de Lee. He added that registration is at 9:45 a.m. - 10 a.m. for the Family Tour.

For more information or to register, call the office of the Lee District Supervisor at 703-971-6262.

67. **EMAILS FROM CONSTITUENTS** (12:27 p.m.)

Chairman Connolly congratulated Supervisor Kauffman on fielding emails from a number of constituents on Washingtonpost.com.

68. **REQUEST FOR REVIEW OF THE MINIMUM REQUIRED PARKING SPACES FOR CHILD CARE CENTERS AND NURSERY SCHOOLS** (12:27 p.m.)

Supervisor Frey said it has been brought to his attention that the required number of parking spaces for child care centers and nursery schools may be inadequate to serve the need. The current Zoning Ordinance requirement is one space per 0.19 children for a center or school which has a maximum daily enrollment of 99 children or less and 0.16 spaces per child for a center or school which has a daily enrollment of 100 or more children. There is no requirement to provide spaces for the teachers. Given the staff-to-child ratios required by the State, the minimum parking requirement is inadequate. He said that he was informed that child care providers of at least two recently constructed centers are being instructed to park off-site, and in one case, cross a busy road, to leave space available for parents who are dropping off and picking up their children.

Supervisor Frey said that this poses an unsafe situation, and is in direct conflict with the Zoning Ordinance requirement that all parking for a specific use be provided on site. Therefore, Supervisor Frey moved that the Board direct staff to include a review of the minimum required parking spaces for child care centers and nursery schools for consideration as a Priority One item on the Zoning Ordinance Amendment Work list. Without objection, it was so ordered.

69. **EXPEDITED AND CONCURRENT PROCESSING FOR SPECIAL EXCEPTION AMENDMENT APPLICATION SEA 96-Y-011 (SULLY DISTRICT)** (12:29 p.m.)

Supervisor Frey said that in August 2003, the Board approved Special Exception Amendment Application SEA 96-Y-011 in the name of Premium Distributors to permit the expansion of an existing wholesale trade establishment within Westfields. Subsequently, the applicant has acquired additional distributors and desires to consolidate them into this facility. A small expansion, beyond what was approved in 2003, is necessary to accomplish this addition, which will necessitate a special exception amendment. The applicant would like to show the expansion on the site plan which is currently being prepared, and has asked that the review of the application be expedited.

Therefore, Supervisor Frey moved that the Board authorize expedited and concurrent processing for Special Exception Amendment Application SEA 96-Y-011-1. The applicants understand that this motion does not relieve them of any obligation, ordinance or standards, and will not prejudice the consideration of the application in any way. Supervisor McConnell seconded the

motion and it carried by a vote of eight, Supervisor Hyland and Supervisor DuBois being out of the room.

70. **REQUEST FOR CERTIFICATE OF RECOGNITION FOR MR. HARRY DOYLE** (12:30 p.m.)

(BACs) Supervisor Frey asked unanimous consent that the Board direct staff to invite Mr. Harry Doyle to appear before the Board to be recognized for his years of service on the Economic Development Authority. Without objection, it was so ordered.

71. **REZONING APPLICATION RZ 2004-SP-013 (STANLEY MARTIN COMPANIES, INCORPORATED) (SPRINGFIELD DISTRICT)** (12:31 p.m.)

(A) Supervisor McConnell said that the applicant, Stanley Martin Companies, Incorporated has requested an expedited Board public hearing date on Rezoning Application RZ 2004-SP-013. Due to contractual obligations, it is important that this matter be heard by the Board on November 15, 2004.

Therefore, Supervisor McConnell moved that the Board direct staff to schedule a public hearing to be held before the Board on November 15, 2004, on Rezoning Application RZ 2004-SP-013. This motion does not relieve the applicant from complying with all regulations, ordinances, or adopted standards, and does not prejudice the consideration of this application in any way.

Following input from Catherine A. Chianese, Assistant to the County Executive, it was determined that the public hearing would held at 5 p.m.

Supervisor Bulova seconded the motion and it carried by a vote of eight, Supervisor Hyland and Supervisor DuBois being out of the room.

72. **FAIRFAX SYMPHONY** (12:33 p.m.)

Following a discussion initiated by Supervisor McConnell regarding the Fairfax Symphony, Chairman Connolly relinquished the Chair to Vice-Chairman Bulova and asked unanimous consent that the Board direct staff to publish the schedule of the Fairfax Symphony on Channel 16. Without objection, it was so ordered.

Vice-Chairman Bulova returned the gavel to Chairman Connolly.

73. **RECESS/CLOSED SESSION** (12:33 p.m.)

Supervisor Gross moved that the Board recess and go into closed session for discussion and consideration of matters enumerated in *Virginia Code* Section 2.1-3711 and listed in the agenda for this meeting as follows:

- (a) Discussion or consideration of personnel matters pursuant to Virginia Code § 2.2-3711(A) (1).
- (b) Discussion or consideration of the acquisition of real property for a public purpose, or of the disposition of publicly held real property, where discussion in an open meeting would adversely affect the bargaining position or negotiating strategy of the public body, pursuant to Virginia Code § 2.2-3711(A) (3).
- (c) Consultation with legal counsel and briefings by staff members or consultants pertaining to actual or probable litigation, and consultation with legal counsel regarding specific legal matters requiring the provision of legal advice by such counsel pursuant to Virginia Code § 2.2-3711(A) (7).

DET:det

At 4:08 p.m., the Board reconvened in the Board Auditorium with all Members being present, with the exception of Supervisor DuBois, and with Chairman Connolly presiding.

ACTIONS FROM CLOSED SESSION

74. **CERTIFICATION BY BOARD MEMBERS REGARDING ITEMS DISCUSSED IN CLOSED SESSION** (4:09 p.m.)

Supervisor Bulova moved that the Board certify that, to the best of its knowledge, only public business matters lawfully exempted from open meeting requirements and only such public business matters as were identified in the motion by which closed session was convened were heard, discussed, or considered by the Board during the closed session. Supervisor Hyland seconded the motion and it carried by a vote of nine, Supervisor Bulova, Supervisor Frey, Supervisor Gross, Supervisor Hudgins, Supervisor Hyland, Supervisor Kauffman, Supervisor McConnell, Supervisor Smyth, and Chairman Connolly voting "AYE," with Supervisor DuBois being out of the room.

75. **SETTLEMENT OF JULIE K. DORN VERSUS RICHARD MULLINS, ET AL, CASE NUMBER L-222928, FAIRFAX COUNTY CIRCUIT COURT** (4:09 p.m.)

Supervisor Gross moved that the Board authorize the settlement of *Julie K. Dorn versus Richard Mullins, et al.*, Case Number L-222928, Fairfax County Circuit Court, according to the terms and conditions outlined by the County Attorney in closed session. Supervisor Hyland seconded the motion and it carried by a vote of nine, Supervisor DuBois being out of the room.

76. **SETTLEMENT OFFER IN BOARD OF SUPERVISORS VERSUS RANDOLPH WILLIAMS, INCORPORATED, ET AL., AT LAW NUMBER 217342 (FAIRFAX COUNTY CIRCUIT COURT** (4:09 p.m.)

Supervisor Bulova moved that the Board reject the settlement offer in *Board of Supervisors versus Randolph Williams, Incorporated, et al.*, At Law Number 217342 (Fairfax County Circuit Court), but authorize the County Attorney to make a counter-offer, according to the terms and conditions outlined by the County Attorney in closed session. Supervisor McConnell seconded the motion and it carried by a vote of nine, Supervisor DuBois being out of the room.

77. **SETTLEMENT OFFER IN VAN METRE VERSUS BOARD OF SUPERVISORS, IN CHANCERY NUMBER 187643** (4:10 p.m.)

Supervisor Hyland moved that the Board reject the settlement offer dated October 18, 2004, in the case of *Van Metre versus Board of Supervisors*, In Chancery Number 187643, and make a counter-offer, according to the terms and conditions outlined by the County Attorney in closed session. Supervisor Bulova seconded the motion and it carried by a vote of nine, Supervisor DuBois being out of the room.

78. **EXPANSION OF SPECIAL PERMIT AUTHORITY OF THE BOARD OF ZONING APPEALS (BZA)** (4:11 p.m.)

Chairman Connolly relinquished the Chair to Vice-Chairman Bulova to address a decision made by the Supreme Court of Virginia earlier this year in the case of *Cochran versus Board of Zoning Appeals* in which the Court reaffirmed the principle that the BZA's authority to approve variances is quite limited. A member of the BZA contacted the Chairman and asked the Board to consider amendments to the Zoning Ordinance to grant the BZA the authority to approve special permits that would authorize encroachments into setback areas when those circumstances do not adversely affect property owners in the vicinity of such an encroachment, and would not only provide needed flexibility for homeowners in utilizing their properties, but would also allow the County to apply appropriate limitations and standards to prevent any such encroachment from adversely affecting adjacent property. Specifically, Chairman Connolly noted that such a proposal could, for example, limit by its terms the amount of any such encroachment so that no one would be allowed to circumvent the setbacks that have been adopted by the Board in residential districts.

Chairman Connolly moved that the Board direct the Department of Planning and Zoning to evaluate this issue and present a Board Item at the Board's December 6, 2004, meeting to authorize the advertisement of a proposed Zoning Ordinance amendment to create special permit authority for the BZA to authorize limited encroachments into setback areas in residential districts under appropriate circumstances and standards. He further moved that staff be directed to inform

the BZA of the Board's action and to keep them apprised of progress as the Board moves forward.

Vice-Chairman Bulova and Supervisor Hyland jointly seconded the motion and it carried by a vote of nine, Supervisor DuBois being out of the room.

Vice Chairman Bulova returned the gavel to Chairman Connolly.

79. **LEGAL REPRESENTATION OF THE BOARD OF ZONING APPEALS (BZA)** (4:13 p.m.)

(P) Supervisor Kauffman noted that the Board had before it a letter prepared for the County Executive's signature that informed the BZA of the Board's policies and procedures that would be followed hereafter regarding legal representation of the BZA.

Therefore, Supervisor Kauffman moved that the Board adopt the policies and procedures set forth therein as its own and direct the County Executive to send the letter on its behalf to the Chairman of the BZA. Supervisor Bulova seconded the motion and it **CARRIED** by a recorded vote of seven, Supervisor Frey and Supervisor Hyland voting "NAY," Supervisor DuBois being out of the room.

AGENDA ITEMS

80. **3 P.M. – PH ON SCHOOL BOARD PLAN TO SELL THE POHICK SCHOOL SITE AND RETAIN THE PROCEEDS (SPRINGFIELD DISTRICT)** (4:14 p.m.)

Anthony H. Griffin, County Executive, presented a brief description of the Fairfax County School Board plan to declare the Pohick School site surplus property, and approve the sale of the property with retention of the proceeds by the School Board. The land was dedicated to the School Board in 1967 as part of a rezoning action and the deed of conveyance contained restrictions to the effect that if the site was sold or developed for a purpose other than a secondary or high school, the Title II site would revert to the party that conveyed it to the School Board. The sale of this property, according to the School Board, would accelerate the construction of several schools as well as allow the initiation and completion of a number of school renovation projects six to nine months ahead of schedule.

The subject of the public hearing was to determine whether the Board should approve the possible sale and retention of the proceeds and not whether the Board should approve any development of the Pohick site. The County Executive clarified for the record that the School Board, not the Board of Supervisors, was in possession of the land; and, that under State law, the Board of Supervisors' concurrence was required for the sale and disposition of the property.

Following a question from Supervisor McConnell, the County Executive stated that if the Board of Supervisors did not approve the plan, the land would still remain in the School Board's hands.

Following the public hearing, which included testimony by 21 speakers, Supervisor McConnell moved approval of the School Board's plan to declare the Pohick School site to be surplus real property and to sell the property and retain the proceeds. Supervisor Bulova seconded the motion and it carried by a vote of nine, Supervisor DuBois being out of the room.

81. **3 P.M. – PH ON REZONING APPLICATION RZ 2003-MV-059 (ANASTASIOS AND ANNA GRYPEOS) (MOUNT VERNON DISTRICT)**
(5:30 p.m.)

Supervisor Hyland moved to defer the public hearing on Rezoning Application RZ 2003-MV-059 until **December 6, 2004, at 3 p.m.** Supervisor Bulova seconded the motion and it carried by a vote of nine, Supervisor DuBois being out of the room.

82. **3 P.M. – PH ON SPECIAL EXCEPTION APPLICATION SE 2004-MV-018 (PETROLEUM MARKETING GROUP, INCORPORATED) (MOUNT VERNON DISTRICT)** (5:32 p.m.)

The application property is located at 8158 Mount Vernon Highway, Tax Map 101-2 ((1)) 34A.

Ms. Lori Greenlief reaffirmed the validity of the affidavit for the record.

Cathy Lewis, Senior Staff Coordinator, Zoning Evaluation Division, Department of Planning and Zoning, presented a description of the application and site location.

Ms. Greenlief had filed the necessary notices showing that at least 25 adjacent and/or interested parties had been notified of the date and hour of this public hearing and, on behalf of Jane Kelsey and herself, she proceeded to present her case.

Following the public hearing, Supervisor Hyland moved to waive the reading of the staff and Planning Commission recommendations. Supervisor McConnell seconded the motion and it carried by a vote of nine, Supervisor DuBois being out of the room.

Supervisor Hyland moved:

- Approval of Special Exception Application SE 2004-MV-018, subject to the proffers dated October 7, 2004.

- Modification of the transitional screening requirement along the southeastern/southwestern property line to the existing and proposed vegetation depicted on the SE Plat.
- Waiver of the barrier requirement along the southeastern property line.
- Modification of the Richmond Highway Corridor Streetscape Requirements to permit the installation of four two-inch caliber deciduous trees along the site's frontage, as described in the proposed Development Conditions.
- Waiver of the service drive requirement along Mount Vernon Highway.

Supervisor McConnell seconded the motion and it carried by a vote of nine, Supervisor DuBois being out of the room.

83. **3:30 P.M. – PH ON SPECIAL EXCEPTION AMENDMENT APPLICATION SEA 80-P-135-04 (MCDONALD'S CORPORATION) (PROVIDENCE DISTRICT)** (5:36 p.m.)

The application property is located at 3009 Gallows Road, Tax Map 49-4 ((1)) 17A.

Ms. Inda Stagg reaffirmed the validity of the affidavit for the record.

Ms. Stagg had filed the necessary notices showing that at least 25 adjacent and/or interested parties had been notified of the date and hour of this public hearing and she proceeded to present her case.

Following the public hearing, William Mayland, Senior Staff Coordinator, Zoning Evaluation Division, Department of Planning and Zoning, presented the staff and Planning Commission recommendations.

Supervisor Smyth moved:

- Approval of Special Exception Amendment Application SEA 80-P-135-4, subject to the proposed development conditions dated October 13, 2004.
- Reaffirmation of the waiver of Additional Standards 5A and 5B for a fast food restaurant.

Supervisor McConnell seconded the motion and it carried by a vote of nine, Supervisor DuBois being out of the room.

Mr. Baskin had filed the necessary notices showing that at least 25 adjacent and/or interested parties had been notified of the date and hour of this public hearing and he proceeded to present his case.

Supervisor Gross voluntarily disclosed the following campaign contribution which she had received:

- In excess of \$200 from Mr. William Baskin, Jr.

Following the public hearing, Aaron Shriber, Staff Coordinator, Zoning Evaluation Division, Department of Planning and Zoning, presented the staff and Planning Commission recommendations.

Supervisor Frey moved amendment of the Zoning Ordinance, as it applies to the property which is the subject of Rezoning Application RZ 2004-SU-014, from the R-1, HC, and WS Districts to the R-12, HC, and WS Districts, subject to the proffers dated September 21, 2004.

Supervisor Bulova seconded the motion and it carried by a vote of seven, Supervisor Bulova, Supervisor Frey, Supervisor Gross, Supervisor Hudgins, Supervisor Hyland, Supervisor Kauffman, and Chairman Connolly voting "AYE," Supervisor DuBois, Supervisor McConnell, and Supervisor Smyth being out of the room.

Supervisor Frey also moved:

- Approval of Special Exception Application SE 2004-SU-012, subject to the development conditions dated October 18, 2004.
- Modification of the transitional screening requirement along the southern property boundary and a portion of the western property boundary.

- Waiver of the barrier requirement along the southern property boundary and a portion of the western property boundary.
- Modification of the barrier requirement along the eastern property boundary.

Supervisor Hyland seconded the motion and it carried by a vote of seven, Supervisor DuBois, Supervisor McConnell, and Supervisor Smyth being out of the room.

Supervisor Frey submitted an item for the record.
