<sup>a</sup>Data include regular, elderly, and disabled tax relief exonerations, refunds, Norfolk Plan real estate supplemental tax levies, and personal property omitted tax levies.

<sup>b</sup>The total levy is the levy for General Fund real and personal property taxes and does not include the property tax levy for Special Revenue Funds, i.e., for Refuse Collection and Community Centers.

<sup>c</sup>Current collections do not include tax collections for the Special Revenue Funds or payments in lieu of taxes. As a result of revised accounting procedures, from FY1979 to FY1985 the collection of penalty and interest payments for late payments of current taxes is included in the collection of current taxes rather than under the collection of back taxes.

<sup>d</sup>The percentage of levy is not the collection rate since current collections also include penalty and interest payments on current taxes.

<sup>e</sup>Collection of back taxes for FY1975 to FY1985 includes penalty and interest charges on past-due taxes. From FY1979 to FY1985 revenue from land redemptions is included under collection of back taxes.

<sup>f</sup>The FY1979 actual collection excludes \$823,471 in prepaid real estate taxes.

## GLOSSARY OF TERMS

ADJUSTED GROSS INCOME is reported on State of Virginia Income Tax Returns. It includes gross income from all sources not specifically excluded minus certain deductions. Examples of major sources of income that are excluded include Social Security benefits and employer contributions for private pension and health programs. The data cover all people required to file a return and include persons with incomes below filing requirements who were subject to tax withholding and claimed a refund.

ASSESSED VALUE refers to the estimated value of property for use in taxation.

AT-PLACE EMPLOYMENT refers to the jobs that are filled and are located within a particular area.
