## Welcome to Food for Others!

We need the following to serve you:

- **A Picture ID.** Please take notice that you must show a picture ID **every time** you come to get food.
- **Current Address.** If your picture ID does not have your current address you must also bring an official document as proof of address such as a utility bill, rental agreement, car title, letter from your child's school, bank statement, etc. You can also call the DMV and they will send you a change of address card free of charge to carry with your ID until you can get a new one.

## We have three food distribution programs:

### 1. US Department of Agriculture (USDA) Food Program

- You may qualify for the USDA food program which is distributed once a month. The box includes a small quantity of canned or dried goods (usually between 5 and 10 items) which is meant to supplement other food sources. **It is not a full month's supply of food.**
- We cannot exchange any of the items you receive in the USDA box, but you may return anything you cannot use.
- You must fill out an application the first time you visit. Clients' qualify solely based on their income status. Everyone will be asked to re-apply one time per year.
- The Federal Government sets the income eligibility levels; **we cannot make any exceptions.**
- Note: The application requests information that is provided to Fairfax County, so they may determine future community needs.

### 2. Emergency Food Program

- You may be eligible to receive an emergency food referral.
- You must contact a County Social Worker to receive a referral. If you live in Fairfax County you should call **Fairfax Coordinated Services at 703-222-0880**. Other social service agencies are listed on the back of this form.
- The social worker will email us a referral if you qualify. Our email is **referral@foodforothers.org**
- Once received, you should pick up the food right away; **we will not keep a referral for more than two weeks.**
- Each referral represents 1 visit. If you are in need of emergency food at a later date, you must get another referral.
- All households will be limited to **6 referrals per calendar year** regardless of the situation.
- **You must arrive to Food for Others no later than 4:30pm to be able to "shop" for food. Otherwise, we will provide a box of food that has been pre-chosen.**

### 3. Neighborhood Sites

- On the back of this page you will find a list of places, days, and times when our volunteers will be distributing food at various neighborhood locations.
- You must be there at the time listed to get food – we only distribute for a short period of time.
- Our volunteers will distribute the food as evenly as possible to anyone who is waiting.
- You may go to these sites as often as you need. **Please bring your own bags/boxes to collect the food items.**
- You **do not need** ID; we only ask that you answer one question: "How many people are you feeding in your household?"

**FFO Staff/Volunteers** - Food for Others could not keep our doors open without our volunteers. We ask that you treat our volunteers with respect and kindness. Please remember that the folks at the front desk are volunteers. Although they would love to help you find additional resources they are limited in what they can do. They are dedicated to helping our clients and will support you the best they can. We appreciate your patience and cooperation.
